

Year in Employment Guidelines

Title: Year in Employment Learning Outcomes

Date: 20 June 2016

Learning Outcomes

To confirm a placement as part of the Year in Employment, the role must enable you to fulfil the following Learning Outcomes of being able to:

1. Discuss the various aspects of the industry in which they work, including the internal company structure and the wider landscape of their sector
2. Describe the purpose of their role within the context of the business and the contribution it makes to the organisation as a whole
3. Identify the skills, attributes and behaviours required for the sector in which they are placed
4. Evaluate the development of their skills, attributes and behaviours over the course of the Year in Employment
5. Identify areas for personal, and career development, and how these can be addressed

Please ensure that you only apply for placement roles that will enable the above. You can check these Learning Outcomes against the Job Description of placements. The Placements Team request a copy of your Job Description to verify the placement is of a sufficient standard and if you have any questions on this, please contact the Placements Team:
