

Four signs of a Spam email

1. Email isn't addressed to a particular user

Dear Email User;

2. The urgency of the response needed

Your password will expire in two Hour time, kindly click on the SERVICE-HELPDESK

[<http://outlookmailapp.myfreesites.net/>] to update your old password and automatically upgrade to the latest e-mail Outlook Web Apps 2016.

3. A suspicious looking web link

If the password is not updated today, your account will be suspended in less than 12 hour.

Help Desk Administrator

4. Poor grammar
