# Great War: Unknown War

**PROGRAMME OF EVENTS**  
**2017-2018 (PART 1)**

An Austrian officer's family  
in Mostar, Bosnia, May 1917

## The University of Southampton has organised a range of special events throughout 2017 and 2018 to mark the anniversary and end of the First World War.

After our very successful launch in 2014-15, we are again uncovering unknown and unusual aspects of the Great War. We have a rich programme drawing on expertise from across the University and beyond, in history, music, film, archaeology and literature.

Events to look out for in this **first part of the 2017-18 programme**:

- Study days on the 'Desert War' and 'America's War'
- Special 'Silent Film Month' in February 2018
- 'Unknown War' lecture series
- Exhibition on local history of the war
- Lunch-time concert: music in the war
