**Gift Aid Declaration**

**I wish the University of Southampton to treat this donation and any that I make hereafter as Gift Aid donations.**

If you are a UK taxpayer, this Gift Aid declaration enables the University of Southampton to reclaim the basic rate of tax paid on your gift, increasing its value by almost one-third at no extra cost to you.

Please Note: In order to Gift Aid your donations, you must have paid an amount of tax/capital gains tax at least equal to the tax we reclaim on your donation. If in the future you no longer pay tax on your income and capital gains equal to the tax that the University reclaims, you can cancel your declaration by contacting the Annual Giving Office. Please see overleaf for contact details.

# Supporting the University of Southampton

The Annual Giving Programme exists to provide alumni and friends with the opportunity to support areas within the University which encourage and enable our students to be the best and brightest in their chosen field of study. It is because of these gifts that we are able to provide more scholarships and bursaries, improvements to facilities and equipment and many other resources which make Southampton a world-class learning environment. With support from people like you we can continue to do even more for our students. The gift you make to the University of Southampton today will make an impact that will last a lifetime for our students!

## Support our key priorities

**Postgraduate Research Scholarships:** Here at Southampton we make world changing advances in research every day addressing the global challenges we all face. Making a gift to help bring the best research students to the University is a fantastic way to demonstrate your belief in our mission to support excellence and inspire ambition in the next generation of great thinkers.

**Enterprise:** Throughout its existence the University has distinguished itself as a hub for invention and creativity. From optoelectronics that sparked the power of the internet and revolutionary developments for quieter jet engines to winning Olympic engineering and cochlear implants for the deaf the University of Southampton has been there to lead the way. With the support from alumni and friends our world leading students and staff can keep moving forward improving the future of the world around us.

**The Student Experience:** We place a high value on recruiting the most talented students while also maximizing the opportunities available to every student, regardless of their background. As a donor choosing to give a gift to enhance the student experience you will enable our students to not only receive the best education possible but you will be helping to improve student education, satisfaction and employability now and in the future.

**The Library:** Our libraries are the keystone to what makes the University so exceptional for our students and staff. Without gifts from alumni and friends we would be unable to provide the latest digital technologies and the most up to date resources our students need for a degree that will last them a lifetime. When you choose to give your gift to the Library you will be assisting thousands of students with the materials they need to have the best education possible.

**Vice-Chancellor's Strategic Fund:** The University of Southampton is a place of transformation. Through education, innovation and research the University unlocks potential and provides opportunities that transform lives. Gifts from alumni and friends are helping to cultivate a rich and varied environment for outstanding learning and discovery, providing the financial flexibility to provide strategic support for our outstanding students, academics and researchers both today and for the future. A gift to the Vice-Chancellor's Strategic Fund enables us to respond to challenges as they arise where the need is greatest.
