

Make the ambitious choice and study at Southampton, an institution in the top one per cent of world universities.\*

At Southampton we can help you reach your goals. Your ambition, your talent and our support is a winning combination.

### Plan your day

Use this planner to ensure you attend all the events that interest you, so you get the most out of your day.

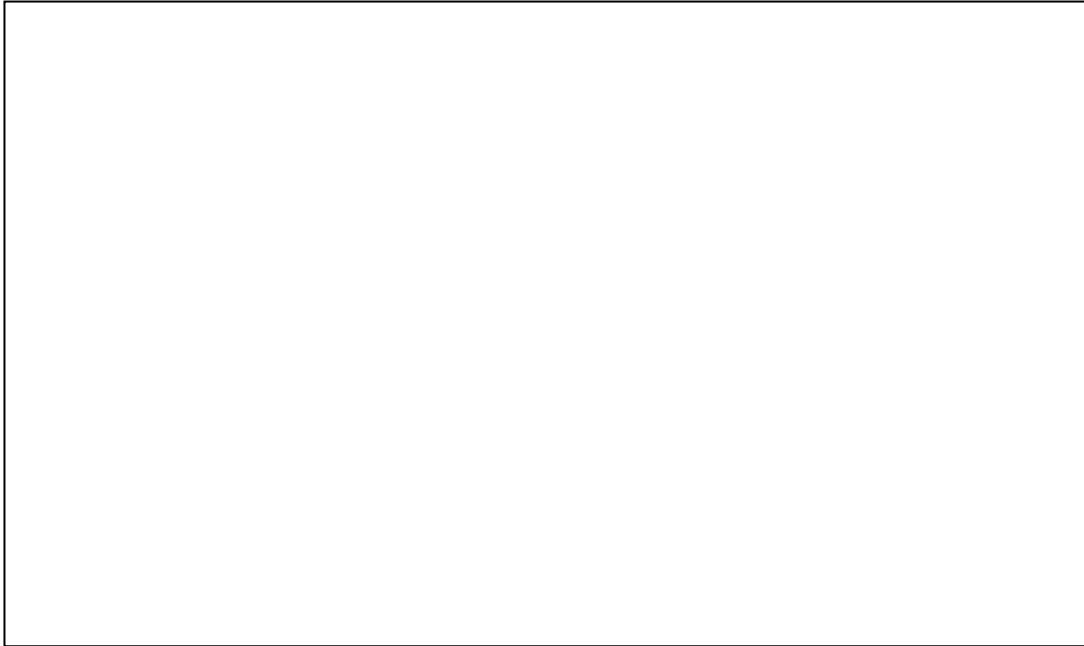

Remember to allow enough time to walk/travel between buildings or campuses. See your Open Day timetable for details of travel times.

Please also remember that some talks are very popular, so plan some contingencies in case you find a talk is full and you have to return later.

Don't forget to have your ticket ready to be scanned at various points around the campus.

16.00	End of Open Day – Thank you for visiting		

Use the space below to make notes and write down questions that you want to ask:

**Knowing which campus to visit**

You will probably want to visit the main Highfield Campus at some point during your day. This is where the information stands and general events will be located. Halls of residence are also close by.

All subject events will be taking place on the Highfield Campus apart from the subjects listed below:

**Avenue Campus**

Archaeology  
Contemporary European studies  
English  
Film studies  
History  
Modern languages  
Philosophy

**National Oceanography Centre Southampton**

Geology  
Geophysical sciences  
Marine biology  
Oceanography

**Boldrewood Innovation Campus** *(please note that these subjects also hold some events on Highfield Campus)*

Acoustical Engineering  
Aeronautics and Astronautics  
Civil Engineering  
Mechanical Engineering  
Ship Science
