

LinkedIn Learning

Now that you're familiar with LinkedIn, it's time to discover LinkedIn Learning. Here's how!

As a member of the university, you have free access to LinkedIn Learning. This is a fantastic resource offering a wide variety of training courses that are valuable for professional development purposes.

I recommended starting with this course

To access LinkedIn Learning from your LinkedIn account, click this button on the top right of your LinkedIn menu bar.

Why is LinkedIn Learning so great for doctoral researchers?

- Great for personal and professional development
- Especially great for building skills that fall under the B domain of the RDF
- Learn new software or other key skills
- Videos are short and easy to pick up and put down
- With the app, you can learn on the go

How to Use LinkedIn Learning

with our LinkedIn Learning Staff Instructor

LinkedIn Learning

Download the app to learn on the go

Available for free from Apple and Android app stores
