Essential information explaining your Bupa cover
Please retain
Welcome to your Bupa Dental Plan membership guide

At Bupa, we know that insurance can be hard to follow. That’s why we’ve made this guide as simple as possible. You’ll find individual chapters that deal with each aspect of your Bupa cover, including a step-by-step guide to making a claim.

Please make sure that you keep this guide somewhere safe. You’ll need it when you come to claim.

Wherever you see words or phrases in **bold italic**, these have technical meanings which are set out in the glossary towards the end.

**How does the membership guide work with my membership certificate?**

Your membership certificate lists the cover option you have chosen. This membership guide explains the benefits available to you for that level of cover. Please read this membership guide together with your membership certificate as together they set out full details of how your dental insurance works.

**Statement of demands and needs**

The cover provided under the membership of the *scheme* is generally suitable for someone who is looking to cover the cost of a range of dental treatment expenses. We have not provided you with any advice about your cover and how it meets your individual needs. Please read your membership certificate and membership guide to make sure that this policy still meets your needs.

**How do I contact Bupa?**

Introduction

Bupa Dental Plan is a group insurance policy governed by the agreement. The terms and conditions of your membership have been agreed between your sponsor and Bupa. There is no legal contract between you and us for your cover under the agreement. Only the sponsor and Bupa have legal rights under the agreement. However:

- if you are a contributing member you will have legal rights as set out in this membership guide. Please see the section ‘Contributing members’
- if you are not a contributing member we allow you access to the claims and complaints processes as set out in this membership guide.

This membership guide describes the rules and benefits that apply to your membership. This membership guide should be read in conjunction with your membership certificate. Together these documents set out the details of your membership and that of your dependants (if any) of the scheme.

If you are a **contributing member** please see the section ‘Contributing members’.

Payment of subscriptions

The **sponsor** must pay to **us** subscriptions and any other payment due for your membership and that of any **dependants** covered under the **agreement**, as and when they are due.

Bupa Insurance Services Limited acts as **our** agent for arranging and administering your policy. Subscriptions are collected by Bupa Insurance Services Limited as **our** agent for the purpose of receiving, holding and refunding premiums and claims monies.

If you are a **contributing member** please see the section ‘Contributing members’.
How your membership can end

*Bupa* can end a person’s membership, treat your membership as if it never existed, or refuse to pay a claim in full or part if there is reasonable evidence that you or a *dependant* did not take reasonable care in answering *our* questions. By this *we* mean giving false information or keeping necessary information from *us* if:

- intentional, *we* may treat your membership as if it never existed, or not pay a claim in full or part
- careless, *we* may:
  - if you are not a *contributing member*, withdraw cover and refuse all claims, change your cover or *we* could reduce any claim payment
  - if you are a *contributing member*, withdraw cover, refuse all claims and refund all of your subscriptions for the *year*, change the cover, or *we* could reduce any claim payment or increase your subscription by the same proportion.

The *sponsor* may terminate your membership of the *scheme* or that of your *dependants* at any time by notifying *Bupa* in writing.

You can end your membership or the membership of any of your *dependants* at any time. If you want to end your membership or that of any of your *dependants*, you must inform your *sponsor*. If your membership ends the membership of all your *dependants* will also end.

If you are a *contributing member* please see the section ‘Contributing members’.

Your membership of this *scheme* and that of your *dependants* will immediately come to an end if:

- the *agreement* between *Bupa* and the *sponsor* under which you were enrolled as a member of the *scheme* terminates
- the *sponsor* does not pay on or before its due date the required subscriptions and any other payment due under the *agreement* for you and your *dependants*. If you are a *contributing member* please see the section ‘Contributing members’
- you cease to meet the eligibility criteria for membership of the *scheme* as agreed between *Bupa* and the *sponsor* (see the section ‘Eligibility criteria’ on page 5)
- you die.

Your *dependants’* membership will automatically end if:

- your membership ends
- the terms of the *agreement* say that it must end
- the *sponsor* does not renew the membership of that *dependant*
- that *dependant* stops being a resident in the *UK* (you must inform us if that *dependant* stops being a resident in the *UK*), or
- that *dependant* dies.

The cover for any child you add as a *child dependant* will end at the next *annual renewal date* following their 24th birthday.
In the event of your membership terminating as a result of ceasing to be employed by the sponsor, or the company, association or organisation ceases to be a sponsor, Bupa will give the main member the opportunity to join an alternative Bupa Dental product, where available, although this cannot be guaranteed. If you transfer within one month, we will not add any special restrictions or exclusions to your cover that are personal to you under the new product other than those which apply to you under this scheme.

**Alterations to the agreement**

*We* can make changes to the terms and conditions of your membership of the scheme and that of the agreement between the sponsor and Bupa at the annual renewal date or at any time if required to by law or regulation.

These changes could affect the amount and type of cover provided under the scheme. *We* may also change or withdraw the amount of any discount or preferential rates at the annual renewal date.

*We* can, at any time, change the amount to be paid to *us* in respect of Insurance Premium Tax (IPT) or any other taxes, levies or charges that may be introduced and which are payable in respect of your cover if there is a change in the rate of IPT or if any such taxes, levies or charges are introduced.

If *we* do make any changes to the terms and conditions of your membership *we* will write to tell you at least 28 days before the change takes effect. If the changes are required to be made more quickly by law or regulation *we* will notify you as early as possible.

If you do not accept any of the changes you can end your membership by informing your sponsor either:

- within 28 days of the date on which the change takes effect, or
- within 28 days of *us* telling you about the change

whichever is later.

If you are a contributing member please see the section ‘Contributing members’.

**General**

The terms and conditions of your membership and that of your dependants shall be governed by English law and all matters regarding your membership and theirs shall be subject to the exclusive jurisdiction of the courts of England and Wales.

*Bupa* will not return, and may dispose of, any documents submitted in support of any application or claim made in connection with your membership or that of your dependants unless requested to the contrary in writing at the time of submission.

No amendment or variation to the terms and conditions of your membership or that of your dependants shall be valid and effective unless made in accordance with these rules and benefits or specifically agreed between your sponsor and *Bupa* and also confirmed in writing. Unconfirmed verbal communications cannot override the written terms and conditions of your membership or those of your dependants, nor amount to any agreement to vary any of its terms. No third party is authorised to effect any such amendment or variation on behalf of *Bupa*, or to waive any of *Bupa’s* rights.
Any failure by Bupa to exercise, or any delay by Bupa in exercising, any of its legal rights or remedies under the agreement shall not amount to any waiver by Bupa of any such rights or remedies.

You must notify Bupa in writing as soon as is reasonably practicable of any claim or right of action you or any of your dependants have against any third party in connection with circumstances which may give, or have given, rise to a claim against Bupa for the payment of benefits.

Benefits are paid on condition that you and your dependants take all steps which Bupa may reasonably require, for the purpose of reimbursing Bupa, to recover from a third party any sums paid to you by Bupa.

You must take any reasonable steps we ask of you to recover from the third party the cost of the treatment paid for by us and claim interest if you are entitled to do so.

**Notices**

Any notice or communication which is given under or in connection with this scheme shall be sent in writing by email or by pre-paid post, recorded delivery or delivered personally in the case of Bupa to Bupa’s administrative address at Bupa, Bupa Place, 102 The Quays, Salford M50 3SP and in your case or the case of the sponsor to your address, or the sponsor’s address, as the case may be, last notified in writing to Bupa. In the absence of evidence of earlier receipt, any notice or communication shall be deemed to have been received on the day following delivery if delivered personally, or three days after posting if sent by pre-paid post.

**Contributing members**

This section only applies to contributing members.

The sponsor must pay to us subscriptions and any other payment due for your membership, and that of your dependants and every other person covered under the agreement. You contributing to the cost of subscriptions for you and/or any of your dependants does not in any way affect the contractual position set out in the ‘Introduction’ section.

Contributions paid by you to the subscriptions the sponsor has paid for you (eg by payroll deduction) will be deemed to have been received by Bupa once they are received by your sponsor.

As soon as reasonably practicable you will be provided with the terms and conditions that will apply to your cover, and the sponsor will notify you of the contribution you will need to make to the cost of subscriptions from the cover start date for the next membership year.

If you do not want your cover (and therefore the cover for your dependants) or the individual cover for any of your dependants to renew at the annual renewal date you can notify your sponsor at any time in advance of the annual renewal date.

If you wish to end your membership (and therefore that of your dependants) the following terms apply:
you may end your membership (and therefore the membership of your dependants) by informing the sponsor within 21 days of either:
- the date you receive your terms and conditions (including your membership certificate) confirming your cover or
- your cover start date

whichever is the later. During this 21 day period if you have not made any claims we will refund to the sponsor all of the subscriptions the sponsor has paid for you for that year.

After this 21 day period you can end your membership (and therefore the membership of all your dependants) by informing the sponsor at any time during the year, in which case we will refund to the sponsor any subscriptions the sponsor has paid for you that relate to the period after your membership ends.

You may end the membership of any dependant by informing the sponsor within 21 days of either:
- the date you receive your terms and conditions (including your membership certificate) confirming the cover for that dependant or
- the cover start date for that dependant

whichever is the later. During this 21 day period if no claims have been made in respect of that dependant we will refund to the sponsor all of the subscriptions the sponsor has paid for you that relate to that dependant for that year.

After this 21 day period you can cancel a dependant’s membership by informing the sponsor at any time during the year, in which case we will refund to the sponsor any subscriptions the sponsor has paid for you in respect of that dependant for the period after their membership ends.

Your membership and that of your dependants will automatically end if the sponsor does not pay subscriptions or any other payment due under the agreement for you or any other person, however, we will continue to pay eligible claims for you and/or your dependant for the period for which you can provide evidence (eg on payslips) that you paid contributions to subscriptions to the sponsor.

Where we have refunded to the sponsor subscriptions paid for you or your dependants, you should contact the sponsor in order to obtain a refund of the contributions you made to those refunded subscriptions.

Changes to your membership
If:
- any changes to the terms and conditions of your membership, including your benefits, are agreed between the sponsor and us, or
- we change the procedure for making a claim

you will be informed before the change takes effect. If you do not accept any of the changes you can end your membership by informing the sponsor either:
- within 28 days of the date on which the change takes effect or
- within 28 days of you being told about the change

whichever is later.
Claiming

Before your treatment

Before you or your dependants have any treatment unless it’s for emergency dental treatment, it’s important to check your policy and what you’re covered for.

Always call us first if:
- you’re unsure of what your benefit limits are
- you or your dependants are unsure what’s covered
- oral cancer treatment is required, as this needs to be pre-authorised prior to receiving any treatment. Please refer to oral cancer treatment section on page 19.

Call the Bupa Dental helpline on 0800 237 777*.

After your treatment

What happens about paying?

How you pay for your treatment depends on which centre you visit:

In selected Bupa-owned dental centres

Our dental insurance is designed to make things easy for you. When you visit participating Bupa-owned practices within our dental insurance network we don’t expect you to pay up front and then claim back the cost of your treatment†. Instead, we take care of the claim there and then. We call it no forms, no fuss claiming, and it means that as long as the treatment is covered under the policy, subject to your benefit limits you won’t need to pay for the treatment.

No forms, no fuss claiming is not available in all Bupa-owned dental centres.
To find out which centres offer this service, please visit finder.bupa.co.uk and search Dental Insurance Network, selecting:

▶ No Forms, no fuss claiming

Alternatively, to check which Bupa dental centres offer this service please call 0800 237 777*.

†Claims are forwarded by selected practices in the Bupa Dental Insurance Network as agent of Bupa Insurance Limited. Orthodontic, injury, emergency and oral cancer treatment cannot be claimed for in this way in the UK.
It also does not apply to NHS treatment in Northern Ireland and Scotland.

*We may record or monitor our calls.
In selected Bupa-owned dental centres (continued)

Our Preventative Care Promise means that we guarantee that there will be no unexpected or additional costs for you to pay on your preventative dental treatment if you have Dental Plan Level 3 or 4 when you visit participating Bupa-owned practices within our dental insurance network.

Preventative treatments covered are up to two routine examinations per year, up to two appointments for a 30 minute scale and polish, and unlimited small X-rays up to your policy’s annual benefit limits.

To find out which centres offer this service, please visit finder.bupa.co.uk and search Dental Insurance Network, selecting:

Preventative Care Promise

In any other dental centre

You’ll need to pay for your treatment yourself and claim some or all of it back, depending on the limits of your cover.

1. Attend your dental appointment, pay for it and keep hold of your itemised receipt. Your receipt must show: name and contact details of the dentist, date and type of treatment, and the name of the person who has had the treatment.

2. Visit bupa.co.uk/dental/finance-and-insurance/make-claim. Submit your claim and receipt online within six months of the treatment date.

3. Alternatively you can make your claim by post, submitting your claim and receipt within six months of the treatment date.
   - Download a claim form at bupa.co.uk/dental/finance-and-insurance/make-claim
   - Fill in the form and post it, along with your receipt, to: Bupa dental insurance, Bupa Place, 102 The Quays, Salford M50 3SP

4. As long as we have all the information we need from you, you can expect your claim to be processed within seven to ten days. Your money will be paid directly into your bank account or by cheque depending on which payment method you’ve chosen.

For any dental treatment received outside the United Kingdom, the amount of any benefits to be paid to you shall be calculated by Bupa using the average of currency exchange rates shown on www.oanda.com applicable on the date on which the claim is paid.

Any treatment costs you incur that are not covered under your benefits are your responsibility.

Payment of benefits is conditional upon your sponsor having paid all subscriptions due on or before the date of the treatment for which you are claiming benefits.

If you are a contributing member please see the section ‘Contributing members’.
Claims should be submitted to Bupa as soon as possible and, in any event, within six months of receiving the treatment for which you are claiming unless this was not reasonably possible.

Payment of benefits is conditional upon Bupa receiving:

- a fully completed claim for payment within six months from the date of the completion of the treatment for which you are claiming unless we agree otherwise where this was not reasonably possible
- such proof of entitlement to receive the benefits claimed as Bupa may reasonably request (including but not limited to (i) any dental reports and other information, and (ii) the results of an independent dental examination which Bupa may require you to undergo at its expense)
- copies or uploads of your original itemised receipts/fully paid invoices - scans or clear photographs are accepted.

There may be instances where we are uncertain about whether or not a claim is covered by the policy. If this is the case we may contact your dental professional to request further information and a copy of your dental records to be reviewed by our own dentist to advise us about the medical facts relating to a claim.

Should a claim be made for the payment of benefits in respect of the cost of emergency dental treatment, general dental treatment and dental injury treatment received outside the United Kingdom, the amount of any benefits to be paid to you shall be calculated by Bupa using the average of currency exchange rates as applicable on www.oanda.com on the date on which the claim is paid. Also see section on ‘General rules on benefits’.

We do not have to pay a claim if you break any of the terms and conditions of your membership, which is related to the claim. We may not pay a claim in full or part if there is reasonable evidence that you or a dependant did not take reasonable care in answering our questions. By this we mean giving false information or keeping necessary information from us if:

- intentional, we may treat your membership as if it never existed, or not pay a claim in full or part
- careless, we may:
  - if you are not a contributing member, withdraw cover and refuse all claims, change your cover or we could reduce any claim payment (if applicable)
  - if you are a contributing member, withdraw cover and refuse all claims and refund all of your subscriptions for the year, change the cover, or we could reduce any claim payment or increase your subscription by the same proportion.
General rules on benefits

*Bupa* agrees to pay *benefits* in respect of *treatment* received by you and each of your *dependants* in accordance with the terms and conditions of your membership when the *treatment* was received provided that whoever receives the *treatment* does so during their period of membership. This includes any pre-planned *treatment* and *pre-existing conditions* apart from the correction of pre-existing gaps that occurred prior to the *cover start date*; see ‘*Exclusions on benefits*’ section on page 14.

*We* only pay for the *dental treatment* and *oral cancer treatment* specified in the ‘*Bupa Dental Plan*’ section of this membership guide.

If you have more than one healthcare policy covering dental benefits, you may only submit each claim on one of the policies.

*Benefits* are only payable by *us* to the extent that the fees and expenses incurred for *dental treatment* and *oral cancer treatment* are up to an amount which is reasonable and customary and up to the maximum benefit limit set in this membership guide for *dental treatment* or the *consultant fees schedule* for *oral cancer treatment*.

By reasonable and customary *we* mean the amount you are charged by *dental professionals, recognised practitioners* or *partnership facilities* and what you are charged for has to be in line with what the majority of *our* other members are charged for similar *treatment* or services. Any costs or expenses for experimental or unproven *dental treatment* and oral cancer treatment will not be reimbursed unless incurred with Bupa’s prior written approval.

*Bupa* will only pay *benefits* for necessary *dental treatment* provided by a *dental professional*. Where a *dependant* makes a valid claim *Bupa* will reimburse the *dependant* for that claim. Claim advices will be sent to the *main member* or *dependant* (when aged 16 and over) who has received the *treatment*. Claim advices relating to *child dependants* will be sent to the *main member*. *Benefits* are payable by *Bupa* only to reimburse fees and expenses actually incurred by you or your *dependants*.

*Orthodontic treatment* is only available when it is grade 4-5 on the *IOTN scale* (Index of Orthodontic Treatment Need) and is *clinically necessary*. *Orthodontic treatment* is available when it is grade 3 on the *IOTN scale* and is *clinically necessary* for any *child dependant* under 18 years of age and covered under the *agreement*. It must be carried out by an orthodontic specialist who is registered with the General Dental Council.

Oral cancer rules on benefits

**Being referred for oral cancer treatment using a recognised practitioner and partnership facility.**

*See also ‘Section 2: Benefit table for oral cancer treatment – UK only’ on page 19.*

Your consultation or *treatment* must follow an initial referral by a *dental professional* or *GP* after you have seen the *dental professional* or *GP* in person. However, for *day-patient treatment* or *in-patient treatment* provided by a *consultant* such referral is not required in the case of a medical emergency.
Your cover for oral cancer treatment costs depends on you using certain recognised practitioners and partnership facilities. Please see benefits table for oral cancer treatment on page 19.

You can only claim for eligible private dental costs once. This means that if you have two policies that provide private dental cover, the costs of your treatment may be split between Bupa and the other insurance company. You will be asked to provide us with full details of any other relevant insurance policy at the time of claim.

Please note: The medical practitioners other healthcare professionals and facilities you use can affect the amount we pay you.

Your oral cancer treatment costs are only covered when the person who has overall responsibility for your oral cancer treatment is a consultant. If the person who has overall responsibility for your oral cancer treatment is not a consultant, then none of your oral cancer treatment costs are covered.

Important: Always call us before arranging any oral cancer treatment to check your benefits and whether the chosen medical practitioner or other healthcare professional or partnership facility is recognised by us for treating the medical condition you have and provides the type of treatment you need. Any treatment costs you incur that are not covered under your benefits are your responsibility.

Section 4: About NHS treatment

If you receive **NHS treatment**, we will reimburse you for your **NHS treatment** costs up to a maximum of the relevant **NHS treatment** charge.

If you have selected a level of cover that only includes reimbursement for **NHS treatment**, and you have private treatment we will only pay the NHS equivalent costs – the amount of money your treatment would have cost if it had been carried out and charged by the NHS.

**NHS treatment** charges may change on an annual basis and you are covered up to the applicable limit currently charged by the NHS at the time you have your treatment.

**NHS treatment** charges differ depending on your location in the **UK**. To understand what **NHS treatment** costs will apply please refer to your local NHS website for information or ask your dentist.

**NHS England, Wales and Isle for Man**

If you live in England, Wales or the Isle Man **NHS treatment** is covered under different bands and each band covers different treatment. The below bands give details of the NHS treatments covered but you should always refer to your **dental professional** to understand which band your **NHS treatment** will be charged under.

**Band 1**
Includes an examination, diagnosis and advice. If necessary, it also includes X-rays, a scale and polish, and planning for further treatment. (All treatment covered by NHS Band 1.)

**Band 2**
Includes all treatment covered by Band 1, plus additional treatment, such as fillings, root canal treatment and removing teeth (extractions). (All treatment covered by NHS Band 2.)

**Band 3**
Includes all treatment covered by Bands 1 and 2, plus more complex procedures, such as crowns, dentures and bridges. (All treatment covered by NHS Band 3.)

For a full list of applicable treatments covered under the NHS please refer to your local NHS website for information or ask your dentist.

**Please note:** If, within two months of completing a course of **NHS treatment**, you need more treatment from the same NHS band or a lower band we expect that you would only be charged once for the same NHS band. This means that if you receive **dental treatment**, and then you need further **dental treatment** within two months which is from:

- the same or a lower NHS Band, **we** will reimburse you for the first treatment you received in full (but **we** won’t pay anything for the second treatment)
- a higher NHS Band, **we** would reimburse you for a total of the highest applicable NHS Band.

After two months, if you need more **dental treatment**, this would be treated as a new claim and **we** would reimburse you for the relevant NHS Band up to NHS limits.
Scotland and Northern Ireland

If you live in Scotland or Northern Ireland you will pay 80% of the cost of your NHS treatment, up to a maximum of permissible amount per treatment. For a full list of applicable treatments and cost covered under the NHS Scotland and Northern Ireland please refer to your local NHS website for information or ask your dentist.

How will we deal with your complaint and how long is this likely to take?

If we can resolve your complaint within three working days after the day you made your complaint, we will write to you to confirm this. Where we are unable to resolve your complaint within this time, we will promptly write to you to acknowledge receipt. We will then continue to investigate your complaint and aim to send you our final written decision within four weeks from the day of receipt. If we are unable to resolve your complaint within four weeks following receipt, we will write to you to confirm that we are still investigating it.

Within eight weeks of receiving your complaint we will either send you a final written decision explaining the results of our investigation or we will send you a letter advising that we have been unable to reach a decision at this time.

If you remain unhappy with our response, or after eight weeks you do not wish to wait for us to complete our review, you may refer your complaint to the Financial Ombudsman Service. If you refer your complaint to the Financial Ombudsman Service, they will ask for your permission to access information about you and your complaint. We will only give them what is necessary to investigate your complaint and this may include medical information. If you are concerned about this, please contact us.

Your complaint will be dealt with confidentially and will not affect how we treat you in the future.

Whilst we are bound by the decision of the Financial Ombudsman Service, you are not.

The European Commission also provides an online dispute resolution (ODR) platform which allows consumers who purchase online to submit complaints through a central site which forwards the complaint to the relevant Alternative Dispute Resolution (ADR) scheme. For Bupa, complaints will be forwarded to the Financial Ombudsman Service and you can refer complaints directly to them using the details above. For more information about ODR please visit http://ec.europa.eu/consumers/odr/

If you give us information about other people, you must make sure that they have seen a copy of this privacy notice and are comfortable with you giving us their information.

3. Categories of personal information

We process two categories of personal information about you and, if it applies, your dependants. This is standard personal information (for example, information we use to contact you, identify you or manage our relationship with you) and special categories of information (for example, health information, information about race, ethnic origin and religion that allows us to tailor your care), and information about any criminal convictions and offences (we may get this information when carrying out anti-fraud or anti-money-laundering checks, or other background screening activity).
4. Purposes and legal grounds for processing personal information

The legal reason we process personal information depends on what category of personal information we process. We normally process standard personal information on the basis that it is necessary, so we can perform a contract, for our or others’ legitimate interests or it is needed or allowed by law. 6. Processing for profiling and automated decision making
Like many businesses, we sometimes use automation to provide you with a quicker, better, more consistent and fair service, as well as with marketing information we think will interest you (including discounts on our products and services). This may involve evaluating information about you and, in limited cases, using technology to provide you with automatic responses or decisions. You can read more about this in our full privacy notice. You have the right to object to direct marketing and profiling relating to direct marketing. You may also have rights to object to other types of profiling and automated decision making.

We share your information within the Bupa group of companies, with relevant policyholders (including your employer if you are covered under a group scheme), with funders who arrange services on your behalf, those acting on your behalf (for example, brokers and other intermediaries) and with others who help us provide services to you (for example, healthcare providers) or who we need information from to handle or check claims or entitlements (for example, professional associations). We also share your information in line with the law. You can read more about what information may be shared in what circumstances in our full privacy notice.

8. Transfers outside of the European Economic Area (EEA)
We deal with many international organisations and use global information systems. As a result, we transfer your personal information to countries outside of the European Economic Area (the EU member states plus Norway, Liechtenstein and Iceland) for the purposes set out in this privacy policy.

9. How long we keep your personal information
