**25
June**

**Do you deliver, manage,
support or participate in
clinical research in Wessex?**

**Then join us for the launch of
CRN: Wessex on
Wednesday 25th June 2014.**

This event will bring together local health providers, commissioners, academia, industry, patients and carers to foster collaboration, spread of best practice, drive innovation and grow research in Wessex.

- Familiarise yourself with the new structure.
- Understand how funding is allocated.
- Learn about strategies to engage and involve patients, public and carers.
- Hear about new initiatives to enhance research delivery.
