

Faculty	Programme Title	Partner	Nature of partnership
Business, Law and Art	BA (Hons) Fashion Design or BA (Hons) Graphic Arts	Dalian Polytechnic University, China	University of Southampton programme, jointly delivered with staff at DPU
Business, Law and Art	BA Design	Elisava School of Design, Spain	Validated programme
Business, Law and Art	BSc Marketing	Singapore Institute of Management	Flying Faculty
Business, Law and Art	MSc Digital Marketing	Singapore Institute of Management	Flying Faculty
Business, Law and Art	PhD	Abdul Wali Khan University Mardan (AWKUM), Pakistan	Split-site PhD programme
Business, Law and Art	PhD	Institute for Management Science, University of Peshawar, Pakistan	Split-site PhD programme
Business, Law and Art	PhD	University of Ibadan, Nigeria	Split-site PhD programme
Business, Law and Art	PhD	Institute of Business, Karachi, Pakistan	Split-site PhD programme
Engineering and the Environment	CDT in Sustainable Infrastructure Systems	Multiple Partners in Industry - http://www.cdt-sis.soton.ac.uk/industry-partners/	EPSRC Centre for Doctoral Training
Engineering and the Environment	EngD Degree in Transport and the Environment	Multiple partners in industry http://www.southampton.ac.uk/idtc/sponsors/	Industry Doctoral Training Centre
Engineering and the Environment	MSc Coastal and Marine Engineering and Management	NTNU, Trondheim, Norway; Delft Technical University, Delft, The Netherlands; UPC Barcelona, Spain; City University, London;	Erasmus Mundus Masters programme

Faculty	Programme Title	Partner	Nature of partnership
Engineering and the Environment	MSc/PG Dip/PG Cert In Marine Technology (Naval Architecture)or (Marine Engineering)or (Offshore Engineering) or (Small Craft Design) or (Classification And Survey) or (Conversion And Repair) or (Defence) or (Offshore Marine Renewable Energy)	University of Newcastle Upon Tyne, University College London, University of Strathclyde Rolls-Royce plc	Masters programme with award from the institution at which the project is taken
Engineering and the Environment, Natural and Environmental Sciences	EPSRC CDT in Energy Storage and its Applications	University of Sheffield (lead institution)	Centre for Doctoral Training
Health Sciences	MSc Health Sciences (Neonatal Studies)	European Society for Paediatric Research	Online module offered by the ESPR
Humanities	PGCert/MA in English Language Teaching	British Council (Mexico) ODLU	University of Southampton programme, jointly delivered online with British Council
Humanities	PhD	The University of Hamburg, Germany	Agreement for cooperative international doctoral programme. University of Southampton (single student).
Humanities	South, West and Wales Doctoral Training Partnership	Universities of Aberystwyth, Bath, Bath Spa, Bristol, Cardiff, Exeter and Reading	AHRC Doctoral Training Partnership
Medicine		Church of South India Holdworth Memorial Hospital, Mysore, India	Split-Site PhD
Medicine	PhD	Wellcome Trust Capacity Building Programme, Public Health Foundation of India	Split-Site PhD
Natural and Environmental Science	MRes Wildlife Conservation	Marwell Wildlife	University of Southampton programme, jointly delivered with Marwell Wildlife

Faculty	Programme Title	Partner	Nature of partnership
Natural and Environmental Sciences	CDT in Theory and Modelling in Chemical Sciences	University of Oxford (Lead), University of Bristol	Centre for Doctoral Training
Natural and Environmental Sciences	CDT Integrated Magnetic Resonance	University of Warwick (Lead); University of St Andrews; University of Aberdeen; University of Nottingham	Centre for Doctoral Training
Natural and Environmental Sciences	DTP in Food Security	University of Reading (lead), University of Surrey, Lancaster University, Rothamsted Research	Doctoral Training Partnership
Natural and Environmental Sciences	MSc Marine Environment and Resources	University of Bordeaux -1, University of the Basque Country, University of Liege	Erasmus Mundus Masters programme
Natural and Environmental Sciences	NERC Oil and Gas Centre for Doctoral Training	Heriot Watt University (Lead), Imperial College, Aberdeen, Durham, Manchester, Oxford, British Geological Survey	Centre for Doctoral Training (Associate Partner)
Natural and Environmental Sciences	The Southampton Partnership for Innovative Training of Future Investigators Researching the Environment (SPITFIRE)	National Oceanography Centre, British Antarctic Survey, Plymouth Marine Laboratory, Marine Biological Association, Sir Alister Hardy Foundation for Ocean Science, Centre for Ecology and Hydrology, Centre for Environment, Fisheries and Aquaculture Science.	Doctoral Training Partnership
Physical Sciences and Engineering	CDT in New and Sustainable Photovoltaics	University of Liverpool, (Lead), University of Bath, University of Cambridge, University of Loughborough, University of Oxford, University of Sheffield	Centre for Doctoral Training

Faculty	Programme Title	Partner	Nature of partnership
Physical Sciences and Engineering	Centre for Doctoral Training in Institute for Complex Systems Simulation	Multiple partners in industry - http://www.icss.soton.ac.uk/about.html	EPSRC Centre for Doctoral Training
Physical Sciences and Engineering	Joint PhD	Nanyang Technological University, Singapore	Joint PhD programme
Physical Sciences and Engineering	MSc Embedded Computing Systems	University of Kaiserslautern, Norwegian University of Science and Technology	Erasmus Mundus Masters programme
Physical Sciences and Engineering	PhD	Dublin City University, King's College London, Military University of Technology, RWTH Aachen University, University College Dublin, University of Padova, Czech Technical University in Prague	Erasmus Mundus joint PhD programme
Physical Sciences and Engineering	PhD	Queen Mary University of London	Joint PhD (SepNet consortium)
Physical Sciences and Engineering	PhD	University of Bristol	Joint PhD (SepNet consortium)
Physical Sciences and Engineering	PhD	King Abdulaziz University, Saudi Arabia	Split-site PhD
Physical Sciences and Engineering	Web Science Centre for Doctoral Training	Multiple partners in industry - http://dte.webscience.ecs.soton.ac.uk/industry-partners/	EPSRC Centre for Doctoral Training

Faculty	Programme Title	Partner	Nature of partnership
Science and Technology (Biological Sciences, Chemistry, Medicine, ECS, ORC and Engineering).	PhD	Agency for Science, Technology and Research, Singapore	Split-site PhD
Social, Human and Mathematical Sciences	BSc (SocSci) Economics and Finance BSc (SocSci) Economics & Management Science BSc (SocSci) Accounting & Economics	Jiangxi University of Finance and Economics, China	Articulation agreement
Social, Human and Mathematical Sciences	BSc (SocSci) Economics and Finance BSc (SocSci) Economics & Management Science BSc (SocSci) Accounting & Economics	Nanjing University of Finance and Economics, China	Articulation agreement
Social, Human and Mathematical Sciences	MSc Geographical Information Systems	University of Leeds	University of Southampton programme, jointly delivered with the University of Leeds
Social, Human and Mathematical Sciences	MSc Geo-information Science and Earth Observation for Environmental Modelling and Management.	International Institute for Geo-Information Science and Earth Observation ITC, Lund University, The University of Twente, The University of Warsaw, The University of Iceland.	Erasmus Mundus Masters programme
Social, Human and Mathematical Sciences	MSc Programme and Postgraduate Course in Official Statistics	Office of National Statistics	University of Southampton programme, jointly delivered programme with ONS

Faculty	Programme Title	Partner	Nature of partnership
Social, Human and Mathematical Sciences	PGCE	Directorate of Education and Training Service (Army)	Off site delivery
University wide	EPSRC Centre for Doctoral Training in Next Generation Computational Modelling	Multiple partners in industry http://www.ngcm.soton.ac.uk/partners.html	EPSRC Centre for Doctoral Training
University wide	MEng Mechanical Engineering, MEng Electrical and Electronic Engineering (EEE)	University of Southampton Malaysia Campus	Branch campus. Students complete Parts 1 and 2 of their programme at the Malaysia campus and transfer to Highfield campus at the end of Part 2.
University wide accreditation agreement (but students admitted are undertaking research in Humanities and Social Sciences disciplines)	MPhil and PhD	The University of Chichester	Validated PhD
