

Primary science subject leaders update:

Keeping up-to-date with science curriculum developments

Wednesday 22nd March 2017, 10.00am – 4.00pm

This one day course is led by Debbie Eccles, Primary Science

Session outline:

This 'not to be missed' day for all established subject leaders will keep you updated with the latest from the Department for Education, Ofsted, The Association for Science Education and many other science education organisations.

You will:

- Increase your knowledge and understanding of science
- Use a host of new ideas and activities to teach science to your children
- Be able to plan for any changes needed to their provision in light of recent developments

“Our partnership is unique in that we have all been experienced primary science teachers and we know, all too well, the pressures of everyday teaching. That is why we aim to provide support that is effective and easily implemented within a range of primary settings.”

Course fee

Course fee £130 per person, this includes a full day of professional development, all course resources, lunch and refreshments.

Venue

Building 34, Room 4005, Highfield Campus
University of Southampton, SO17 1BJ

Special Offer - 2 for £200
