

## **Travel Directions to National Oceanography Centre**

There is parking available in our on-site car park.

### **HOW TO FIND US BY CAR – postcode for SatNav SO14 3ZH**

By car the National Oceanography Centre has direct links from the M3, A33, M27 and A27. If using the M3 leave at Junction 13. Follow signs to Dock Gate 4 and the Waterfront for approximately 6 miles.

If using the M27 leave at Junction 5, which is signed for **Southampton/ Airport/Eastleigh/A335**. Follow the signs to the Waterfront, Dock Gate 4.

### **HOW TO FIND US BY TRAIN**

Southampton has two main train stations: Southampton Airport (Parkway) or Southampton Central Station. There is a Uni-Link Bus service (U1C Dock Gate 4) which starts at Southampton City Airport, travels to Southampton Central train station, then travels directly to the NOCS campus.

### **HOW TO FIND US BY COACH**

When you book your ticket, ask for the Southampton Central coach station. This coach station is approximately 5 minute walk from Southampton Central train station where you will be able to catch the City Link Bus service to Town Quay. Alternatively, there is a taxi rank as you exit the coach station.

### **HOW TO FIND US BY FERRY**

There are frequent ferries from Cowes, Isle of Wight and Hythe, directly to Southampton Docks (Town Quay).
