

MDVSN Sandpit Event 8th October 2015

ENGAGEMENT WORKSHOPS

Please arrange yourselves into groups on your tables which include:

- Healthcare professionals
- Industrialists
- Academics
- Representatives from Governing bodies/funders

MDVSN Sandpit Event 8th October 2015 - ENGAGEMENT WORKSHOP AM

1.The clinical examples of medical device related injuries

2.What are the **barriers/facilitators** to:

- a) Improving clinical practice and raising awareness of medical device related injuries (clinicians)
- b) Creating new/novel medical devices (industry)
- c) Applying research into the field of medical devices and vulnerable skin (academics)

MDVSN Sandpit Event 8th October 2015 - ENGAGEMENT WORKSHOP PM

In different groups **discuss and document** the following:

1. How can we work together to find solutions to the clinical problem?
2. What scientific/technological improvements can be made for the design/application/monitoring of devices?
3. How can we effectively communicate the problems of medical device related injuries?
4. Who will support us? (Governing bodies/funders)
