As Vice-President (Education), Professor of Philosophy and an alumnus, I'd like to offer you a very warm welcome to the University of Southampton.

Over the course of your Open Day visit, do take time to soak up the sights and sounds not only of our University, but also of our bustling, diverse and historic city.

Today is all about you: about the journey you'll take through the rest of your education and beyond to develop and achieve your goals. This is your chance to find out what joining us at Southampton for the next stage of that journey could offer you.

It's your opportunity to engage with our students and academics, hear about our teaching and research, and learn more about the support we offer to our students; how we strive to provide them with the best possible University experience, while also preparing them for life after graduation.

Today will provide a glimpse of what your future could hold. Reflect on your experience and ask the question: "Can I see myself here at Southampton?"

It's my sincere hope that you'll be able to answer with a resounding "Yes."

Professor Alex Neill
Vice-President (Education)

PLAN YOUR DAY

At our Open Days, we aim to give you a glimpse of what your life at Southampton could be like. The Open Day is the first step on your university journey; use our top tips to help you get the most from your day.

Download the app

Create your schedule for the day using our free Open Day app. Search 'MySouthampton' in your app store.

Check in

When you have a chance, head to one of our check-in points and get your ticket scanned. This lets us know you've attended the Open Day. There are check-in points on Highfield Campus, Boldwood Innovation Campus, Avenue Campus and at the National Oceanography Centre Southampton.

See the city

Make the most of your day by visiting Southampton city centre on one of our regular shuttle buses. You can take a tour of the city, enjoy something to eat and drink, see a show at the Mayflower Theatre or catch the latest exhibition at our city centre-based arts venue, the John Hansard Gallery. Or, if you don't have time to visit, stop by our 360-degree virtual city experience room in the Information Fair.

Take a break

There are many places to grab something to eat or drink on each of our campuses, with special deals for our Open Day visitors.

Follow us on social media

Find us online and join the conversation with #UoSOpenDay.

Visit our Information Fair

Between 09:00 and 16:00 you can speak to representatives from subject areas, clubs and societies, and the services that will support you as a Southampton student. To find out more, see page 8.

Attend a subject talk

Subject talks run throughout the day. They provide information about what it's like to study here at Southampton and what modules you can take. You will also have the opportunity to ask questions about your chosen area of study (see pages 12–21 for talk times).

Take a tour

A guided campus tour is the best way to see the facilities on Highfield Campus. Tours are led by our student ambassadors, who will give real insight into life at Southampton (see page 11).

Go online

Use the free Wi-Fi on campus: select 'Wifi Guest' and follow the instructions.

Please note that filming and photography will be taking place at the Open Days for use in University publications and on the University website. If you do not wish to be included, please let the film crew or photographer know.

EXPLORE AND ENJOY

The Open Day is your chance to get a real feel for the University and imagine yourself living and learning here. Explore the campuses, enjoy the many green spaces and social areas, and soak up the atmosphere. Here are a few highlights to look out for while you're here.

Enjoy a lunchtime concert performed by our talented music students.

Lunchtime concerts

Join us at lunchtime for a concert by our Southampton Showcase performers in Building 52 (Turner Sims). Showcase is a platform providing exposure to the talented pre-professional student performers within our Music department. Taking place from 12:30-13:10, our lunchtime concert will feature an eclectic mix of performances for you to enjoy. Stay for the whole concert or just drop in for a while – and don't forget to bring your lunch!

Cafes and restaurants

Take a break and enjoy a coffee or lunch at one of our many restaurants and cafes located across our campuses.

Sports talks

If sport is your thing, head over to Building 34 for one of our talks about the excellent sporting facilities available here at Southampton. We cater for all levels – so whether you're a sporting professional or just enjoy an occasional keep fit class, there will be something for you.

360-degree experience of the city

Don't have time to head to the city on the Open Day? Experience the city of Southampton by visiting our 360-degree virtual experience room, located within the City Life Zone of the Information Fair.

Filmed across 12 locations, with a soundtrack created by our music students, this will give you a feel for what our vibrant city has to offer.

Virtual Open Day

Remember, if you don't have chance to see everything during the Open Day, you can explore all our campuses at your leisure with our Virtual Open Day: www.southampton.ac.uk/virtualopenday

CAMPUS DEVELOPMENTS

We are continuously updating our campuses and investing in your student experience.

Our new teaching and learning centre on Highfield Campus, the Centenary Building, is due to open this autumn. This space will feature a 250-seat lecture theatre, a range of adaptable group teaching spaces, a computer suite, a cafe and a variety of study areas.

Our National Infrastructure Laboratory on Boldrewood Innovation Campus opened last month. This purpose-built facility houses state-of-the-art research laboratories to develop our understanding of transport infrastructure. It is supported by £36m of government investment as part of a national partnership.

We are also investing £12m in our chemistry facilities, including a complete renovation of our teaching labs. Students will benefit from more opportunities for experimental work and hands-on use of advanced analytical and spectroscopic equipment.

Our newly transformed facilities for Health Sciences and Electronics and Computer Science (ECS) also ensure you have the resources and spaces you need.

- 01 National Infrastructure Laboratory
- 02 Centenary Building (artist's impression)
- 03 Chemistry laboratories (artist's impression), Building 29
- 04 Electronics and Computer Science facilities, found in Building 1 and Building 16

OPEN DAY SHUTTLE BUSES

During the Open Day you can enjoy unlimited travel between our Southampton campuses on our free shuttle bus service.

Show your Open Day ticket, programme, or the app for free travel on our shuttle buses and unilink services.

You can get on one of our buses at Westquay and, depending on the course you're interested in, go straight to Highfield Campus, Avenue Campus, Boldrewood Innovation Campus or the National Oceanography Centre Southampton.

If the talks and events you're interested in attending are at one of our other campuses, there's no need to go to Highfield Campus first; you can build your day around your interests and

visit the campuses in the most convenient order for you.

Our award-winning unilink bus service connects our Southampton campuses with the city's major transport links. Our student ambassadors will be happy to provide you with directions onto the correct bus.

Please allow plenty of time for transfers between the campuses, halls of residence and from Westquay, and local public transport terminals.

Keep checking our website for the latest travel information.

APPROXIMATE TRANSFER TIMES

WESTQUAY TO:

- Avenue Campus **20 minutes**
- Boldrewood Innovation Campus **25 minutes**
- Highfield Campus **35 minutes**
- National Oceanography Centre **15 minutes**

- National Oceanography Centre **1 hour 10 minutes**
(One change at Highfield Campus)

ACCESSIBLE ROUTES

There will be a limited number of wheelchairs available at the information point at the interchange, on Highfield Campus (next to Building 6) – please enquire here. Wheelchair routes and disabled toilets are indicated on our campus maps (pages 26-29).

INFORMATION FAIR

The Information Fair is at the heart of your Open Day. Here you will find representatives from subject areas, support services, the city and some of our clubs and societies. Make sure you allow time to head over, check in and get all of your questions answered.

The Information Fair takes place in Building 18 (Jubilee Sports Centre) on Highfield Campus, and will be open between 09:00 and 16:00.

Subject zone

Within this zone you will be able to find out about your subject of interest. You will get the chance to speak to current students or members of staff.

Student support zone

Here you can speak to representatives from the services that will support you from application to graduation. Get

help with your application, receive funding advice and find out where your Southampton degree could take you.

If you have any specific requirements and think you might need support during your studies, visit the Enabling Services stand where the team will be happy to answer any questions you have.

Clubs and societies zone

This zone gives you the opportunity to get a feel for our student clubs and societies. There are over 300 different groups to choose from.

Whether you love sport, volunteering, performing or debating, there's something for everyone; this could be your chance to try something new.

City life and accommodation zone

Speak to our Accommodation team to find out where you could be living as a Southampton student. You can also find out more about what the city of Southampton has to offer with our 360-degree virtual experience room.

GENERAL EVENTS

TALKS	TIMES	DURATION	LOCATION*
Welcome to the University of Southampton: Your chance to hear from our Vice-President about what makes Southampton a special place to live and study	09:00 09:30 10:15 10:45 13:15	30 minutes	Building 100, Lecture Theatre 1001
Accommodation	12:15 13:45 15:15	30 minutes	Building 42 (the Students' Union), Level 3, cinema
	10:30 11:30 12:45 14:15	30 minutes	Glen Eyre Halls of Residence, Glen Eyre Road, Dining Hall
Fees and finance	11:00 13:00 14:00	45 minutes	Building 40, Garden Court
Experience a university lecture by a leading academic	12:00	40 minutes	Avenue Campus, Building 65, Room 1145
	13:30	40 minutes	Building 6 (Nuffield), Room 1081
Sport at Southampton	13:15 14:15	30 minutes	Building 34, Lecture Theatre 3001
Studying abroad information session	13:30	45 minutes	Building 6 (Nuffield), Lecture Theatre A
Student life with the Students' Union: The Union's elected student officers will welcome you to campus with an essential guide to student life. Expect to hear an overview of everything the Union offers, with information about halls, support services, nightlife and much more	10:00 11:30 14:30	30 minutes	Building 42 (the Students' Union), Level 3, cinema
Personal statement: top tips	09:15 10:00 11:00 12:00 13:00 14:00 15:00	30 minutes	Building 35, Lecture Theatre 1001

*Location is on Highfield Campus unless otherwise specified

DROP IN	TIMES	LOCATION*
Faith and Reflection Centre: Find out what support and activities we offer throughout the academic year. Come and enjoy our hospitality or just take a break in a quiet space	10:00-16:00	Faith and Reflection Centre, House 41
Southampton Showcase: An informal concert featuring some of the talented musicians from the University of Southampton Department of Music	12:30-13:10	Building 52 (Turner Sims)
The Students' Union: drop in for a chance to discover the opportunities the Students' Union has to offer, including information about sports clubs, societies, advice, socialising and representation. This is your chance to ask current students and elected officers anything you are unsure about, while discovering the facilities with a Union tour	09:00-16:00	Building 42 (the Students' Union)

TOUR	DESCRIPTION	TIMES	LOCATION*
Highfield Campus	Led by a current student, see the sights and amenities of our main campus, and get an insight into what your life would be like as a student at Southampton. These tours take around 30 minutes and are on foot	10:00-16:00	Marquee on the grass outside Building 38
Hartley Library	Our libraries will be an important part of your time here as a student. Explore our main University Library and see our study spaces and print resources. An opportunity to talk to Library staff and ask questions about resources and services, and how the Library can support you in your studies. Take a self-guided walk around all five floors and see inside this amazing building	09:00-16:00	Building 12 (Hartley Library)
Jubilee Sports Centre	Take a look around our onsite sports centre which houses a 25-metre swimming pool and a 170 station fitness suite. These tours are self-guided; follow the footsteps from the Sports Centre main reception	09:00-16:00	Building 18 (Jubilee Sports Centre)
Students' Union	Led by the Students' Union team, discover how the University of Southampton Students' Union can enrich your student experience. Check out the cinema, sports facilities, media studios, sports bar, lettings agency and more	09:00-16:00	Building 42 (the Students' Union)
Glen Eyre Halls	Take a self-guided stroll around our largest accommodation site, and see examples of self-catered non-en suite and en suite rooms you might like to live in as a student. Staff and student helpers will be available onsite so you can find out more about the student accommodation experience. Follow the yellow signage from the top of University Road. Please note that the walk to Glen Eyre takes around 15 minutes	10:00-16:00	Glen Eyre Halls of Residence, Glen Eyre Road
Mayflower Halls	Take a self-guided tour around our larger inner city halls site, located in the heart of Southampton's Cultural Quarter. View examples of modern self-catered en suite accommodation that could be your new home as a student. Staff and student helpers will be available onsite so you can find out more about the student accommodation experience. Catch a free bus from the interchange at Highfield Campus to Southampton Central train station, and follow the yellow signage to Mayflower Halls. Please allow around 30 minutes' travel time	12:00-17:00	Mayflower Halls of Residence, West Park Road

EXPLORE THE CITY

Southampton is a city that is bursting with culture and life. There's something for everyone and it's been fantastic being able to embrace it all alongside my studies."

Emily Fry

BA English and Education, final year
Life at Southampton Student Blogger

Read more about Emily's life in Southampton and meet her fellow bloggers, at www.lifeatsouthampton.co.uk

Southampton is one of the most lively and dynamic cities in the south of England. With an exciting cultural community, international connections and a vibrant city centre, Southampton has been ranked the third best place to live and work in the UK.*

The city has a rich arts scene, offering plenty of events and exhibitions at museums, music venues, galleries and theatres. Spend some time at the Cultural Quarter, exploring contemporary art at our very own John Hansard Gallery or watching the latest regional theatre productions at Nuffield Southampton Theatres (NST). If you enjoy sport, you might be drawn to St Mary's Stadium, home to Southampton FC, or the Ageas Bowl.

Westquay is ideal for shopping, and there are plenty of independent and well-known restaurants, cafes and bars where you can enjoy a drink or a meal at any time of day. If you're looking for nightlife, the city is buzzing with bars, clubs and shows, often featuring special student promotions.

Southampton is one of the UK's greenest cities. Relax and unwind in one of our many parks, or make the most of nature on Southampton Common.

Why not explore Southampton for yourself? Take one of our free bus services after the Open Day, or, if you don't have time, visit our 360-degree virtual experience room, located in the City Life and Accommodation Zone at the Information Fair.

*Good Growth for Cities Index 2018, Demos-PwC

STUDENTS' UNION

When you join the University, you automatically become a member of the Students' Union. The Students' Union is independent from the University and is run for students by students, to unlock the potential and enrich the life of every student.

- Run for one of the positions in the Students' Union's elections, and become the voice of students across the University.
- Experience Freshers'; a full programme of activities and events to help you settle in, meet new people and find out more about university life.
- Join over 300 sports clubs and societies, ranging from archery, Quidditch and performing arts to football, debating and tennis.
- Dance the night away in the Union's venue for large events, such as gigs and student celebrations.
- Have fun and give back to the community with RAG (Raise and Give), which organises fundraising events to benefit charities.
- Eat at The Bridge, with food from a Michelin-trained chef at student prices.
- Socialise with friends in The Stag's sports bar and experience their legendary karaoke night.

- Catch a film in the 260-seat cinema, run by Union Films, a team of student volunteers.
- Become a DJ or director at the Union's award-winning Surge Radio and SUSUtv.
- Write and edit articles as a student journalist with one of the Union's award-winning magazines, *Wessex Scene* or *The Edge*.
- Get free, confidential and independent support from The Advice Centre, who can advise students on housing, finances, academic issues and more.

Find out more:
www.susu.org

Southampton has been wonderful. The options to engage in different activities while here are endless."

Swathy Sanjay Sindhu
LLB Law with Psychology, final year

ACCOMMODATION

A selection of our halls of residence will be available to view during the Open Day. We offer a range of high-quality accommodation, with different room types and locations to suit everyone.

As well as the sites open today, we also have many other halls of residence available for you to apply to live in.

To find out more, please visit our Accommodation team at the Information Fair in Building 18.

Special requirements

If you have any special requirements for your room, need an adapted room, or would like to see an adapted room on the Open Day, please speak to our Accommodation team at the Information Fair, or at one of our halls sites.

Glen Eyre Halls

Open for viewing between 10:00 and 16:00

Mayflower Halls

To view Mayflower Halls, take the shuttle bus to Southampton Central train station and follow the AA walking route signs.

Open for viewing between 12:00 and 17:00

“ Meeting so many new people every day due to the size of the halls is one reason why it never gets boring. The staff are exceptionally helpful and available 24/7.”

Gabriela Karaulanova
LLB Law, second year

		Accessible payphone	
		Wheelchair route (unaided)	
		Wheelchair route (with assistance)	
		Ramp	

Over the next decade,
we plan to invest

over £300m

in our infrastructure
and facilities

- 01 The view of Highfield Campus from the Life Sciences Building (Building 85)
- 02 Hartley Library
- 03 Life Sciences Building (Building 85)
- 04 Green spaces on Highfield Campus

“
My time in Southampton so far has been absolutely fantastic! The opportunities that I have been able to engage with and the friends I have made from different countries so far have been very fulfilling.”

Dibyayan Ghosh
BSc Accounting and Finance with a year in placement,
first year

CAMPUS MAPS

Boldrewood Innovation Campus route to Highfield Campus

A short walk from Highfield Campus, our new Boldrewood Innovation Campus houses our centre for innovation, business and education in maritime engineering and engineering sciences.

Avenue Campus maps

Our humanities campus houses a state-of-the-art purpose-built Archaeology building and is located on the edge of Southampton Common, a short walk from Highfield.

If you are arriving at Avenue by bus, you will be dropped off and picked up on The Avenue (A33). Look out for student ambassadors who will direct you between the bus stop and the campus.

KEY

- 1 Main entrance
- 2 Information desk
- 3 Avenue Campus tours meeting point
- 4 Study abroad opportunities

National Oceanography Centre Southampton

Our waterfront campus is one of the world's leading research centres for the study of ocean and earth sciences.

Pre-booked parking is available at the National Oceanography Centre Southampton (NOCS) for those interested in subjects based at the campus. NOCS can be accessed by bus from Westquay and Southampton Central train station, as well as from Highfield Campus. Student ambassadors will be available to direct you to the correct bus.

Boldrewood Innovation Campus

National Oceanography Centre Southampton

Avenue Campus

YOUR PLANNER

Use this planner to build your day around the events that interest you, to help you get the most out of your day.

Remember to allow enough time to walk/travel between buildings or campuses. See page 7 for approximate travel times.

Please also remember that some talks are very popular, so plan some alternative activities in case you find a talk is full and you have to return later.

Don't forget to have your ticket ready to be scanned.
