## Submitting an application

Before applying for accommodation, you should look at the different types of accommodation available and decide what you would like to apply for. There are several different room types situated across a range of halls sites, and when you apply you will be asked to choose between three and five preferences.

You can find out more about our halls on the [accommodation website](#).

### Different types of rooms include:

Part catered/ self-catered: Whether you would like to cook for yourself or have some meals provided. A catering package is also available. More information on the catering package can be found [here](#).

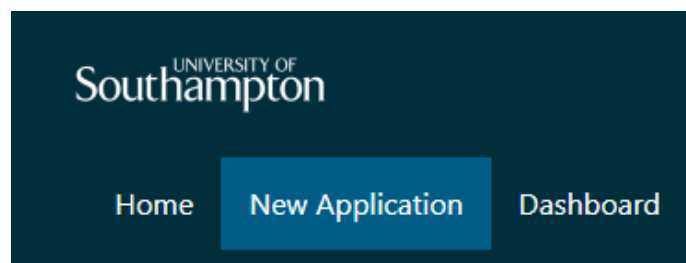

Room type: These range from standard shared bathroom room or en-suite rooms to self-contained

License duration: Whether you require a short, standard or long license

Halls complex: Which of our halls sites you would like to apply for

**When your application is considered, every effort is made to allocate you according to your preferences. The allocations are dependent on room availability, so we cannot guarantee that you will receive your top preferences - this is why we will ask for up to five choices.**

You can submit a new application by selecting the “apply” button on the home page, or “new application” in the top right-hand corner.
