Gift Aid Declaration - boost your donation by 25p for every £1 you donate

If you are a UK taxpayer, you can make your donation worth more at no extra cost to you. The Government's Gift Aid scheme allows us, as a charity, to reclaim the income tax (or capital gains tax) you have already paid on your donation. Simply tick, sign and date the declaration below. Your address is needed on this form to identify you as a current UK taxpayer.

I want to Gift Aid my donation and any donations I make in the future or have made in the past four years to the University of Southampton. I am a UK tax payer and I understand that if I pay less income tax and/or capital gains tax in a tax year than the amount of Gift Aid claimed on all my donations, it is my responsibility to pay any difference.

Signature _____ Date _____ *giftaid it*

Please notify us if you want to cancel this declaration, if you change your name or home address or if you no longer pay sufficient tax on your income and/or capital gains.

I would like to support (please tick one)

Cancer Immunology Talent Fund Student Support Student Excellence

Bank/Building Society/Account Number

Banks and Building Societies may not accept Direct Debit Instructions for some types of accounts. UK Bank Accounts only.

The Direct Debit Guarantee

- The Guarantee offered by all banks and building societies that accept instructions to pay Direct Debits
- If there are any changes to the amount, date or frequency of your Direct Debit the University of Southampton will notify you 10 working days in advance of your account being debited or as otherwise agreed. If you request the University of Southampton to collect payment, confirmation of the amount and date will be given to you at the time of the request
- If an error is made in the payment of your Direct Debit by the University of Southampton or your Bank or Building Society, you are entitled to a full and immediate refund of the amount paid from your Bank or Building Society
- If you receive a refund you are not entitled to, you must pay it back when the University of Southampton asks you to
- You can cancel your Direct Debit at any time by simply contacting your Bank or Building Society. Written confirmation may be required. Please also notify us.

Supporting the University of Southampton

Our bright and talented students and researchers are at the centre of some of today's most influential and ground breaking research discoveries. Our world-leading research is what helps the University to maintain its status as one of the UK's top 15 research institutions year on year. Great discoveries are made by those who are given the opportunity to succeed and there are still many breakthroughs yet to be made by our students and researchers here at Southampton.

We hope that you are proud to be a graduate of Southampton and that the experiences you had as a student helped to shape a successful future upon leaving the University. Regular donations to support the University are a fantastic opportunity for you to encourage our students to follow in your footsteps and enable them to be the best and brightest in their field of study, regardless of their background or circumstances. With your support we are able to provide more scholarships and bursaries, improvement to student study spaces, development towards world-leading research facilities and amazing experiences that shape our students into the leaders of tomorrow.

By supporting one of the funds below you will be helping us to make an even bigger impact for our students and the University.

The Cancer Immunology Talent Fund

Following on from our successful £25 million campaign to build the UK's first Centre for Cancer Immunology, we have developed the Cancer Immunology Talent Fund. This Fund's mission is to support the people in the Centre to drive forward our life-saving research.

Your gift to the Cancer Immunology Talent Fund will enable us to deliver the following programmes:

1. The UK's first integrated PhD in Cancer Immunology
2. Key research positions in cancer immunology
3. The Innovation Residency Programme

If you would like to speak to a member of our team in more detail about this programme, please email youreit@southampton.ac.uk.

Student Support

We believe that financial circumstances should never prevent talented and ambitious students, at any point in their studies, from benefiting from a pioneering and world-leading education at the University of Southampton. Your support allows us to provide assistance to students who are struggling financially.

In times of unforeseen hardship, students can apply to the University for help to continue their studies. In difficult circumstances, such as the death of a parent or carer, your gifts enable us to step in and ensure that a lack of funds does not prevent a student from succeeding in their studies.

We are also actively engaged with outreach programmes, helping students from the most financially disadvantaged areas to learn about university life, explore their future options and make informed decisions about their academic journey.

Student Excellence

We are dedicated to helping ambitious students make the most of their time at university, to achieve their full potential and contribute to our mission to change the world for the better. We want our students to have exposure to the opportunities and experience that will enable them to launch fulfilling and successful careers. The Student Excellence Fund supports a wide variety of projects driven by the ambitions of our diverse student body and the opportunities that they create.

Your gifts will:

- Match-fund student and academic-led projects on the University's own crowdfunding platform
- Support local impact projects such as those from the University's ENACTUS team and Social Impact Lab
- Fund student enterprise projects
- Support sporting excellence through the University's Sporting Bursaries scheme and other initiatives

Thank you for your support

Privacy Notice: As a supporter, you are incredibly important to the University of Southampton's Office of Development and Alumni Relations (ODAR) and we are committed to protecting your data and privacy. We collect, store and use your data to develop engaging services and activities that enrich your ongoing or future experiences with us. You can read more about what we do with your data in our Privacy Notice: www.southampton.ac.uk/alumni-privacy.
