

To retain face-to-face provision where it is possible to do so safely. These ‘tiers of restriction’ relating to teaching provision are outlined below.

RAG Rated Tier Tables

If an area is designated as an ‘area of intervention’ locally or regionally there may be a need to restrict University services and activities in a phased manner so that face to face teaching provision is retained as long as it is safe to do so.

These ‘tiers of restriction’ identified by [government guidance](#) will be implemented in such cases after consideration by UEB.

Students will be kept informed as and when these tiers are likely to change.

Teaching 	Tier 1 (Default)	Tier 2 (Fallback)	Tier 3 (Stricter)	Tier 4 (Last Resort)
Research (Labs, workshops) 	Research labs operating with COVID-secure mitigation controls in place and controlled access.	Prioritised research labs remain operational where safe to do so based on risk assessment.	Tight measures in place to limit access to researchers and PGR staff.	Essential research work only
Student Services 	Wide range of services operating on campus with COVID-secure mitigation.	Reduced availability of services with COVID-secure mitigation in place.	Essential services only directly supporting students welfare and wellbeing. Potentially closed otherwise.	Essential services only for students in need
Campus services 	Enhanced cleaning and security in place with mitigation based on risk assessment.	Increased cleaning in areas of high footfall and shared spaces. Enhanced security.	Strict cleaning regimes but with fewer buildings open. Tight security.	Essential services only to keep sites safe and secure.
Accommodation 	Operating and fully open with COVID-secure mitigation measures in place.	Support provided remotely where possible. Increased cleaning regime. No visitors.	Restrictions on travel. No visitors. Gyms closed.	Essential services only to support student welfare and safety.
Travel and Events 	Small events only with COVID-secure mitigation measures in place. Limited UK and international travel using private or public transport (with mitigation).	Virtual events only. Essential UK travel only, using private transport. International travel by exception only subject to government guidance and insurance.	Virtual events only. Essential UK travel using private transport.	None
