### **Your PSA blood test**

Dear <Title> <Surname>,                      NHS number: <number>                      MRN: <number>

Your recent blood test showed that the PSA level in your blood has increased slightly.

This may not require any treatment, but we would like to discuss this with you in our outpatient clinic. Please find an appointment enclosed. Please could you complete your Health MOT if you have not already done this.

If you have any questions or problems before then, you can either message us via the My Health Record™ or call us on <add phone number>. If you reach the answerphone then please leave a short message with your name, date of birth and a contact number. We will aim to call you back within one working day.

Kind regards,

**Prostate Cancer Support Team**
