

Your Forum after the Workshop

We find that men value the expertise and support of other men in the same situation. Would you like to be part of a circulation list so that men on this workshop have a chance to contact each other to ask questions or offer help to each other? The Support Worker will make a list of men and their emails/phone numbers who wish to join the Workshop Forum, and then send it out to all men who have opted in (by adding details below).
