**WHAT DO OUR STUDENTS THINK?**

“I really enjoy being able to explore my ideas and develop my creative process! I love telling stories and creating characters so with this course, I have really been able to better my abilities and create interesting games as a result! It’s really helping me prepare for the industry world.”

Liz Allen  
BA Games Design and Art, 2022

“I chose to study at WSA because of the fantastic facilities, huge studio spaces, plenty of tutor contact time and a brilliant library for research. The facilities top everything for me! WSA is particularly focused on hand rendered skills, such as screen printing, which gives you a great band of knowledge to move into digital design.”

Emily Erskine  
BA Textile Design (Printed Textiles Pathway), 2021

“I love that my course encourages me to become a better graphic artist throughout each of the modules. The technical workshops, guest lectures, and design briefs have all facilitated my growth as a young graphic designer as well as being surrounded by a vibrant creative community.”

Rahul Sonegra  
BA Graphic Arts, 2022

“At WSA there’s a close-knit community with peers and staff members – everyone’s always happy to help. Winchester has a lovely Christmas market and Cafes, with so many nice places to have a break. It’s also very close to London, which is amazing for research!”

Eva Smith  
BA Fashion Marketing with Management with Year in Employment, 2022
