The Academic Regulations which are detailed in Section IV, [General Information and Regulations](#) of the [University Calendar](#) apply to and regulate the programme(s) listed above.

On occasion, programmes can be exempted from one or more of the clauses in the Regulations; one or more of the clauses can be varied; and programmes can impose additional requirements.

- Exemptions are characterised by the omission of the relevant clause.
- Variations are characterised by the replacement of the clause with alternative wording.
- Additions are characterised by requirements in addition to those detailed in the Academic regulations.

The programmes listed have approval from the Academic Quality and Standards Committee for the **exemptions** and/or **variations** and/or **additions** to the regulations noted below.

Exemptions:

The clause(s) listed below describe where an exemption to the Regulations exists.

None apply

Variations:

The clause(s) listed below describe where a variation to the Regulations exists.

Existing University Regulation		Approved Variation
2.1	Progression, Determination and Classification of Results: Undergraduate and Integrated Masters Programmes The University standard Module Pass Mark for undergraduate students taking Modules at all levels is 40.	The ECS Module Pass Mark for undergraduate students taking Modules in Part IV is 50.
2.3	Progression, Determination and Classification of Results: Undergraduate and Integrated Masters Programmes The University standard Qualifying Mark for undergraduate students taking Modules at all levels is 25.	The ECS Qualifying Mark for undergraduate students taking Modules in Part IV is 35.
2.2	Progression, Determination and Classification of Results: Undergraduate and Integrated Masters Programmes The University standard Average Mark for a Part for undergraduate students on each Part of a programme is 40.	Students are required to obtain an average mark of not less than 58 in Part III in order to progress to Part IV.

Additional Requirements:

The clause(s) listed below are in addition to the Regulations.

Programmes: all MEng with Industrial Studies programmes

The Year in Industry follows the same regulations as the University's Year in Employment which are specified in the [Progression, Determination and Classification of Results: Undergraduate and Integrated Masters Programmes](#).

These regulations should be read in conjunction with the programme specification.

Disclaimer:

As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a student's period of registration, however, any revision will be balanced against the requirement that the student should receive the educational service expected. Please read our [Disclaimer](#) to see why, when and how changes may be made to a student's programme.
