

Careers, Employability and Student Enterprise Presentation Recordings & Live Workshops

The following 45-minute, interactive workshops are delivered live and can be booked through the [MyCareer Events Calendar](#). Participating in these workshops, in person or online, provides useful engagement and the opportunity to ask questions. If you can't attend a workshop, you can access recordings of these sessions here:

[Career Planning - Getting Started](#)

Kickstart your career planning with top tips and expert advice.

[Considering Postgraduate Study and what to expect](#)

Explore the different postgraduate study options, what's involved, how to find and apply for courses.

[Cracking Online Assessments](#)

Look at a range of online (psychometric) tests that you may encounter when applying for internships and graduate roles, as well as some top tips on how to prepare.

[Explore...Applications](#)

Consider the purpose of applications within the recruitment process, with some top tips on how to complete an application form effectively.

[Explore...Covering Letters](#)

Look at how to create impact with your covering letter, presenting yourself positively and demonstrating your suitability for the role.

[Explore...CVs](#)

Explore how to use a job description to target your CV for a specific role, identify and highlight your relevant skills effectively.

[Explore...Personal Statements](#)

Explore how to write a personal statement that will demonstrate your motivation and relevant experience for a postgraduate course.

[Explore...Virtual Assessment Centres](#)

Investigate the commonly used activities in virtual assessment centres and how to prepare and perform effectively.

[Exploring the Graduate Job Market](#)

Develop your commercial awareness and understand how to research and evaluate jobs and industries during your job search.

[Finding and Securing Work Experience](#)

Explore the work experience opportunities that are available to you during your time at university and after you graduate.

[Interviews Masterclass – Video, Phone and In Person](#)

Get help preparing for upcoming interviews, reflect on and perfect your interview technique.

[Stand Out! How to identify your skills and stand out to employers](#)

Find out how to reflect on your skills and experience and effectively communicate them to others.

LinkedIn Lab

As this is a highly interactive session, there is no recording but more tips can be found on the [UoS Career Hub](#) and in the following presentations:

[Perfecting your LinkedIn profile](#)

[Seven things you may not know about LinkedIn](#)
