

**Careers and Employability Service**  
**What Can I Do With My Degree?**  
**Education**

## Introduction

This resource is designed for you to discover what you can do with your degree. It contains information on:

- [Skills gained through your degree](#) - useful in career decision-making and when applying for graduate jobs
- [Overview of the main career areas with your degree](#) - to help you understand what other students with your degree have gone on to do
- [Links to selected relevant professional bodies and associations](#) - to help you understand the sector and also provide advice and information
- [Finding opportunities](#) - including finding jobs and internships, volunteering opportunities, specialist recruitment agencies.
- [Further study](#) - professional qualifications and programmes aligned to your first degree

## Skills gained through your degree:

In a competitive graduate labour market, it is important that you are able to demonstrate the key skills that you have developed through your degree programme.

Reflecting upon the skills you have gained and your skill strengths can also be helpful in career decision making. The following resources can help you to understand the skills gained from your degree.

[Prospects](#) - Take a look at the "Skills for your CV" section

[Discover...yourself](#)

[Your course learning outcomes](#) - Your course modules contain aims and learning outcomes. These are useful in assisting you to recognise and reflect upon the skills developed during your studies. The programme specification document for your course also includes a number of skills that you should have developed throughout your time studying.

## Overview of the main career areas with your degree

Aside from a variety of teaching-related careers, Education graduates are also equipped for numerous roles in a wide variety of career sectors. Some additional popular roles include: Civil Service, marketing, business, human resources, and retail management, among many more.

The resources below will enable you to explore these in more detail.

[Prospects](#)
