As a Principal Investigator for this study, I confirm that I have read and understood the above-mentioned protocol and agree that it contains all necessary details for carrying out the study as described.

I agree to conduct the trial in accordance with the protocol.

I will provide copies of this protocol and access to all information provided by the Southampton Clinical Trials Unit, on behalf of the Sponsor, to study personnel under my supervision. I will discuss this material with them to ensure that they are fully informed about the study.

I am aware that the obligations, terms and conditions, including financial arrangements and recruitment expectations for my site are detailed in the Clinical Trial Agreement 'Model Agreement for Non-Commercial Research in the Health Service'.

I am aware that as Principal Investigator I am responsible for both the conduct of the trial and the team working with me, at my site, in accordance with regulatory standards.
