

Waste and recycling

Which bin do I use?

Green bin for recycling

Place all clean recycling together in clear bags.

 **recycle here**

							
aerosols	household metal packaging	cartons	foil	foil trays	household plastic packaging	mixed glass bottles & jars	mixed paper & card
✓ • empty aerosols	✓ • all tins and cans	✓ • empty cartons	✓ • clean foil	✓ • clean foil trays	✓ • all plastics including yoghurt pots and trays	✓ • all glass bottles and jars	✓ • all paper, card and cardboard

Food Waste Recycling

All food waste should be placed in the food waste caddies in your kitchen or in the food waste bin in the bin compound.

batteries

Batteries should be placed in the dedicated collection boxes located at reception.

Purple bin for General Waste

General Waste

General waste is waste that cannot be recycled. Keep general waste to a minimum.

Do

- Do place waste in correct bin
- Do flatten cardboard and recycle
- Do use clear bags for recycling

Don't

- Don't place waste in areas marked: "Keep Clear"
- Don't place waste next to bins
- Don't place hot items in bins
- Don't use black bags

If you wish to recycle other items or have any queries, please contact Estates and Facilities via email on E_F_HELPDESK@soton.ac.uk
Alternatively, you can check out the A-Z of Waste and Recycling SUSSED website at: www.southampton.ac.uk/estates/services/wasterecycling
