

Skilled Worker and Tier 2 Visa holder responsibilities

To retain your visa to allow you to continue to work at the University, you are responsible for keeping your personal information up-to-date and reporting absences to us, normally through MyView self-service. Legislation requires the University to report any changes to UK Visa and Immigration (UKVI) **within 10 working days of the change**, failure to do so will result in your visa being withdrawn and the University terminating your employment.

Your responsibilities are:

You must keep all your contact details up to date using [MyView](#). Update your details promptly when any change occurs:

- Address
- Telephone number

- Anything that suggests a breach in the conditions of your visa

Academic Technology Approval Scheme (ATAS)

The University is required by law to inform the UKVI of any periods of absence, a delay in reporting could impact your permission to remain in the UK. Record via [ServiceNow](#)

Keeping your UKVI account up to date

If you have a UKVI account to access your eVisa, you must ensure that you keep all your personal details up to date. Please review [Update your UK Visas and Immigration account details: Overview - GOV.UK](#) for details.
