Question

Dear University of Southampton,

Could you please clarify what the formal/official name of your medical school is? I have seen it variously described as Southampton Medical School, University of Southampton Medical School or the University of Southampton School of Medicine, amongst others

Could you please confirm which of these names is correct.

Yours faithfully,

Arem Seven

Answer

The number and titles of the Faculties of the University are determined by Council on the recommendation of our Senate. Our Ordinances set out the organisation and government of the University and they are available to view [here](#); in particular please refer to paragraph 2.5. Our Faculty of Medicine is comprised of the School of Medicine and that in turn is comprised of further divisions.

If you do not feel that we have dealt with your request in accordance with the requirements of [Part I](#) of the Act, you may request a review. Your request for a review should specify in what respect you

consider that the requirements of [Part I](#) have not been met. Please address your request for a review by completing the [form](#) and selecting FoI Review.

In accordance with section 5.3 of the [Code of Practice](#), a request for a review must be sent within 40 working days of the date of this letter. The University is not obliged to accept any requests for a review beyond 40 working days. We will acknowledge your request for a review and endeavour to respond within 20 working days of its receipt but please note that a deadline for a review response is not prescribed by the Act.

The Information Commissioner is responsible for enforcing rights of access to information and the operation of the publication scheme. You may apply to the Information Commissioner in writing (FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF) or [electronically](#) for a decision whether, in any specified respect, your request for information has been dealt with by the University in accordance with the requirements of [Part I](#) of the Act. The Information Commissioner will not normally take action unless they are satisfied that the University's review procedure has been exhausted.

Yours sincerely
