Dear Kaylena Martina,

G00863: Freedom of Information Request

We refer to your request for information dated 13/12/2021 under the Freedom of Information Act 2000 (the "Act").

Please find below your question, with the University's corresponding response.

Question

Dear University of Southampton,

I am kindly writing to request information regarding A100 international student statistics.

I'd like to know for the 2021 entry year:

1) How many international students applied

2) How many international students interviewed

3) How many international students were given offers

4) How many international students accepted their offers

5) How many places the university has for international students

I'd like to know for the 2018 and 2019 entry years:

1) The UCAT cutoff for international students to obtain an interview

Please note that I have checked the WhatDoTheyKnow database for the following information and have only found refusals due to request being sent too early (https://www.whatdotheyknow.com/request/a...) and that information has already been send

(https://www.whatdotheyknow.com/request/a...), however, I am unable to find such information on WhatDoTheyKnow.

Thank you very much.

Yours faithfully,

Kaylena Martina
