Dear Carl Faruq,

Freedom of Information Act 2000

Request for information: response

Date of request: 12 December 2019

Due date: 13 January 2020

Ref: RITM0249188

We refer to your request for information dated 12 December 2019, please accept our apologies for the delay in responding to you.

Please find below your question, with the University's corresponding response.

Question

The Lowest UCAT score needed in 2017, 2018 and 2019 to be invited for a Medicine A100 BM5 interview, not taking in consideration candidates with mitigating circumstances.

Response

In accordance with section 1(a) of the Act, we confirm that the University holds information of the description specified in your request. The answers to your questions are as follows:

The lowest UCAT score to interview for a School Leaver to BM5:

2017: 1690*

2018: 2580

2019: 2510

* Please note: UKCAT introduced a new subsection this year and therefore only used 3 out of the 4 sub tests so all scores were much lower.

If you do not feel that we have dealt with your request in accordance with the requirements of [Part I](#) of the Act, you may request a review. Your request for a review should specify in what respect you consider that

the requirements of [Part I](#) have not been met. The request for a review should be addressed to the Chief Operating Officer and may be sent by email to foi@soton.ac.uk.

The Information Commissioner is responsible for enforcing rights of access to information and the operation of the publication scheme. You may apply to the Information Commissioner in writing (FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF) or [electronically](#) for a decision whether, in any specified respect, your request for information has been dealt with by the University in accordance with the requirements of [Part I](#) of the Act. The Information Commissioner will not normally take action unless she is satisfied that the University's review procedures have been exhausted.
