

PhD/DM students registered with the School of Primary Care, Population Sciences and Medical Education

Name	Title	Student email
	Main supervisor: Dr Nisreen Alwan	
Elizabeth Taylor PhD start date Dec 18	Change in modifiable maternal characteristics between successive live pregnancies and childhood overweight/obesity in the second sibling. Co-supervisors: Professor Keith Godfrey , Professor Ann Berrington .	E.J.Taylor@soton.ac.uk
Grace Grove PhD start date Dec 19	Combining individual and area-based measures of disadvantage for risk stratification and intervention to improve health in young families. Co-supervisors Dr Dianna Smith , Professor Jane Appleton .	G.K.B.Grove@soton.ac.uk
	Main supervisor: Dr Sally Curtis	
Chloe Langford PhD start date Oct 19	An exploration of assessor and BM6 students' experiences of OSCEs. Co-supervisors: Sarah Rule (linguistics), Sophie Holmes-Elliott .	C.Langford@soton.ac.uk
Rebecca D'Silva PhD start date Oct 16	Navigating medical school: Exploring experiences and progression of Gateway programme medical students. Co-supervisors: Jen Cleland (external), Professor Mary Barker , Jeremy Rowland.	R.Dsilva@soton.ac.uk
Heather Mozley PhD start date Jan 19	It's about lighting fires, not filling buckets! Exploring perceptions of widening participation and diversity in a UK medical school. Co-supervisors: Professor Marcus Grace , Dr Kathryn Woods-Townsend .	H.Mozley@soton.ac.uk
	Main supervisor: Professor Hazel Everitt	
Stephanie Hughes PhD start date Oct 15	The impact of close interpersonal relationships in Active Surveillance (AS) related anxiety and depression in men with prostate cancer. Co-supervisors: Dr Beth Stuart , Dr Sam Watts, Dr Rebecca Band .	Sh3r11@soton.ac.uk
Samantha Hornsey PhD start date Oct 18	Management of Sleep Problems in Children in Primary Care. Co-supervisors: Dr Beth Stuart (coordinating), Dr Ingrid Muller , Dr Catherine Hill .	sh7g13@soton.ac.uk
	Main supervisor: Dr Simon Fraser	
James Morris DM start date Dec 17	Population-level assessment of treatment burden in chronic disease. Co-supervisor: Professor Paul Roderick	jem5v07@soton.ac.uk
Emilia Holland PhD start date Nov 21	Understanding the meaning of burden and complexity in the context of multimorbidity and how to access this in primary care data. Co-supervisors: Professor Nick Francis , Dr David Culliford .	Emilia.Holland@soton.ac.uk
	Main supervisor: Dr Kathleen Kendall	
Devendra Rajwani PhD start date Oct 18	Barriers and Bridges in Refugee Health in the United Kingdom.	D.Rajwani@soton.ac.uk
	Main supervisor: Professor Geraldine Leydon	
Ian Bennett-Britton PhD start date Oct 21	Developing a methodology of continuous, risk-based consultation peer-review to identify and minimise unwarranted variation in clinician practice in in-hours general practice. Co-supervisor: Dr Leanne Morrison .	I.P.Bennett-Britton@soton.ac.uk
	Main supervisor: Professor Michael Moore	
Marc Sanders PhD start date Jun 20	Service Delivery evaluation of a triage and treat model involving the delivery of chiropractic care in partnership with primary care in Essex. Co-supervisors: Dr Dave Newell , Mark Gurden, Dr Jane Vennik and Dr Neil Osborne .	M.W.Sanders@soton.ac.uk
	Main supervisor: Dr Ingrid Muller	
Amy Dobson PhD start date Nov 21	Supporting parents and carers managing common infant symptoms. Co-supervisors: Professor Miriam Santer , Professor Sue Latter .	A.E.Dobson@soton.ac.uk
	Main supervisor: Professor Julie Parkes	
Charlotte Cook DM start date Jul 19	The feasibility of community pharmacies testing for Hepatitis C in people who inject image and performance enhancing drugs with testing for Hepatitis C. Co-supervisors: Professor Salim Khakoo , Dr Ryan Buchanan .	C.Cook@soton.ac.uk
Inna Walker DM start date Apr 19	Adverse childhood experiences and improving health and life chances of young adults in the criminal justice system. Co-supervisors: Dr Nisreen Alwan , Dr Sara Morgan .	I.V.Walker@soton.ac.uk
Alex Smith PhD start date Sep 20	Community Pharmacy Identification of alcohol related liver disease. Co-supervisors: Dr Ryan Buchanan , Dr Kinda Ibrahim , Dr Janisha Patel (UHS) .	Alexander.Smith@soton.ac.uk
	Main supervisor: Professor Miriam Santer	
Elizabeth Angier PhD start date Nov 21	Developing and evaluating an intervention to support young people at risk of anaphylaxis. Co-supervisors: Dr Ingrid Muller , Dr Paul Turner .	E.A.Angier@soton.ac.uk

PhD/DM students not registered to PPM, supervised by the
School of Primary Care, Population Sciences and Medical Education

	Title	PPM supervisor
	University of Southampton - Faculty of Environmental and Life Sciences - Health Sciences	
Annie Herklots PhD start date Sept 15	What are the decision-making processes of prescribers in managing acute respiratory tract infections in adults in General Practice? Main supervisor: Professor Susan Latter .	Professor Michael Moore
	University of Southampton - Faculty of Environmental and Life Sciences - Psychology	
Jonquil Westwood Pinto	Health behaviour changes in acupuncture patients Main supervisor: Dr Felicity Bishop . Co-supervisor: Dr Katherine Bradbury .	Dr David Newell
Michelle Holmes	Reconceptualising patient reported outcome measures (PROMS) as active components of complex interventions. Main supervisor: Dr Felicity Bishop . Co-supervisor: Dr Claire Hart .	Dr David Newell
	University of Southampton - Faculty of Environmental and Life Sciences - Geography	
Matt Johnson PhD start date Oct 2020	Examining the spatio-temporal patterns of diarrhoeal disease incidence from routinely collected clinical data. Main supervisor: Professor Jim Wright .	Professor Nuala McGrath
	University of Southampton - Faculty of Medicine - Clinical & Experimental Sciences	
Denise Morris	The epidemiology and genetic diversity of Moraxella catarrhalis. Co-supervisors: Stuart Clarke , Jo Jefferies and David Cleary.	Professor Nuala McGrath
Lucy Rigge DM start date Sept 2014	Identifying and intervening in patients at risk of rapidly progressive COPD. Main Supervisor: Dr Tom Wilkinson .	Professor Mike Thomas
	University of Southampton - Faculty of Medicine - Human Development and Health	
Joanne Horton PhD start date Mar 2017	Reactive Oxygen Species in Endometriosis and Treated Endometriosis: The Villain of Fertility? Main supervisor: Professor Ying Cheong .	Dr Nisreen Alwan
Qian Yue Tan PhD start date 2020	Exploring the treatment burden and capacity for patients with Parkinson's and their caregivers: PD Life. Main supervisor: Professor Helen Roberts . Co-supervisor: Dr Kinda Ibrahim .	Dr Simon Fraser
Jack Colley PhD start date 2020	Supporting and enabling people living with diabetes to undertake their annual review checks at home. Main supervisor: Dr Hermione Price .	Dr Hajira Dambha-Miller
	University of Southampton - Faculty of Social Sciences - Social Statistics and Demography	
Sebastian Stannard PhD Start date Oct 2018	A longitudinal lifecourse analysis assessing the implication of educational attainment and gender on mental health and well-being by the time a person reaches midlife. Main supervisor: Prof A M Berrington	Dr Nisreen Alwan
	University of Southampton - Faculty of Social Sciences - Economics	
Matias Ortiz de Zarate PhD Start date Oct 2017	The effects of generic entry on prescription patterns and their effects on patients' outcome. Main supervisor: Dr Carmine Ornaghi , co-supervisor: Emmanouil Mentzakis	Professor Paul Roderick & Dr Simon Fraser
	Imperial College London	
Hilary Allen PhD Start date Nov 2020	Preventing paediatric allergy overdiagnosis in primary care: Cow's milk protein allergy and Beta-lactam allergy. Main supervisor: Dr Bob Boyle, co-supervisor: Professor Andrew Murphy.	Professor Miriam Santer
	University of Portsmouth	
Samuel Boanuh PhD Start date Oct 2020	The role of polypharmacy in treatment burden. Main supervisor: Prof Paul Rutter.	Dr Simon Fraser
	Queen Mary University - Centre for Primary Care and Public Health	
Shauna McKibben PhD Start date Jan 2015	(MD) Impact and feasibility of implementing electronic flagging alerts of bronchodilator overuse in primary care. Main supervisor: Professor Chris Griffiths , co-supervisor: Professor Andrew Bush .	Professor Mike Thomas
	University of Southern Denmark - Department of physiotherapy & occupational therapy	
Karen Andreasson PhD Start date Dec 2016	(BEAT DB-study; Breathing Exercises in Asthma Targeting Dysfunctional Breathing – a randomised controlled trial with a nested qualitative study Main supervisor: Prof Uffe Bodgter	Professor Mike Thomas
	University of Winchester	
Samantha Belfrage PhD Start date Apr 2021 Funded by Wessex ARC)	Developing and evaluating the feasibility of a community-based health literacy intervention to empower socially disadvantaged parents/carers of children aged 0-4 years to manage minor childhood illness and confidently navigate health services. Main supervisor: James Faulkner and Margaret Husted.	Dr Simon Fraser

School of Primary Care, Population Sciences and Medical Education recently completed PhD/DM students

[Rachel Dewar-Haggart](#) Supervisor: [Professor Tony Kendrick](#) Passed with corrections October 2021.

Title: Exploring patients' beliefs, attitudes and behavioural intentions towards depression management in primary care.

[Julia El-Mecky](#) Supervisor: [Dr Angela Fenwick](#) Defended September 2021

[Bethan Treadgold](#) Supervisor: [Dr Ingrid Muller](#) Passed with corrections August 2021.

Title: Exploring Families' Views of and Experiences with information and support about Eczema Treatments in the Online World

[Robin Poole](#) Supervisor: [Professor Julie Parkes](#) Passed DM viva subject to minor corrections June 2021.

Title: Coffee consumption and the effects on health.

[Martin Logue](#) Supervisor: [Professor Michael Moore](#) Passed PhD subject to minor corrections August 2020.

Title: Andrographis paniculata leaf extract as a symptomatic intervention for acute respiratory tract infections.

[Nicola Taylor](#) Supervisor: [Professor Hazel Everitt](#) Passed DM viva subject to moderate corrections May 2020.

Title: Supported self-management in inflammatory bowel disease.

[Catherine Price](#) Mentor: [Professor Paul Roderick](#) DM (ALT) completed 2020 - this is a DM (ALT) by published papers.

Title: Management of chronic Pain

[Kate Glyn-Owen](#) Supervisor: [Professor Paul Roderick](#) Passed viva and submitted corrections 2020.

Title: Chronic liver disease - exploring and improving pathways into care.

[Athena Ip](#) Supervisor: [Dr Ingrid Muller](#) Passed PhD viva March 2020.

Title: Understanding patients' experiences and views of acne treatments.

[Nida Ziauddeen](#) Supervisor: [Dr Nisreen Alwan](#) Passed PhD viva December 2019.

Title: Investigating maternal and early-life predictors of childhood overweight and obesity.

[Douglas Hardman](#) Supervisor: [Dr Felicity Bishop](#) Passed PhD viva with moderate corrections September 2019.

Title: From inert pills to subjunctive medicine: an exploration of the placebo effect in general medicine.

[Han \(Alex\) Zheng](#) Supervisor: [Professor Ruth Pickering](#) Passed PhD viva with minor corrections April 2019.

Title: Negative binomial models for falls data in Parkinson's disease and other groups at high risk of falling.

[Luke Hodgson](#) Supervisor: [Professor Paul Roderick](#) Passed MD viva with minor corrections June 2018.

Title: Preventing Acute Kidney Injury.

[Emma Richards](#) Supervisor: [Professor Julie Parkes](#) Passed PhD viva with minor corrections May 2018.

Title: The Health of People with Court Orders supervised by Probation Services: An exploratory study.

[Jeanne Trill](#) - Supervisor: [Professor Michael Moore](#) Completed 2017.

Title: Alternative Treatments of Adult Female Urinary Tract Infection: a double blind randomised controlled trial.

[Rishi Pruthi](#) Supervisor: [Professor Paul Roderick](#) Passed viva with minor corrections December 2017.

Title: Inequity in access to kidney transplantation.

[Dominic Taylor](#) - Supervisor: [Professor Paul Roderick](#) Completed 2017.

Title: Health Literacy and its relationship with process and outcomes in patients undergoing dialysis or with a kidney transplant.

[Sara Afshar](#) Supervisor: [Professor Paul Roderick](#) Completed 2017.

Title: Multimorbidities: its prevalence and impact. A multi-country comparison using longitudinal household surveys and qualitative methods.

[Jane Vennik](#) Supervisor: [Professor Michael Moore](#) Completed 2017.

Title: Improving management of otitis media with effusion in primary care.
