Opportunity to gain experience of what  
it is like to train and work as a doctor

Open to pupils currently in Years 9, 10 and 11 who are  
interested in finding out more about becoming a doctor

## Participants will have the chance to...

- Learn how to perform clinical skills such as suturing and practise these on a model
- Experience anatomy and pathology teaching
- Visit clinical areas to see health professionals at work
- Watch a trauma team respond to an emergency scenario
- Talk to medical students about training as a doctor and find out how the application process works
- Listen to our keynote speaker talking about life in medicine

The programme costs £150 per pupil

All food and drink is included

Places are allocated on a first come, first served basis
