An instructor will meet participants outside the main reception at 09:00.

We encourage where possible, that participants travel by public transport or cycle (bike racks available on site).

There are good bus links with the UC1 bus going right to the NOC (National Oceanography Centre) entrance.

There is limited parking that may be available on a case-by-case basis. This should be arranged on the day with your instructor. However, be prepared that you may have to pay for alternative parking.
