The diagram illustrates a room layout for a 19-item test. The room is rectangular with a 'FRONT' wall at the bottom and a 'Back of Room' wall at the top. At the front, there is a desk area labeled 'Invigilators' with a chair, a computer monitor, and two empty seats. The room is divided into three main sections by two vertical aisles labeled 'STEPS' on each side. The left section has rows A through H, the middle section has rows 3 through 13, and the right section has rows 11 through 19. Each row contains a horizontal box with numbered seats. The top wall has two arched doorways, and the bottom wall has two arched doorways.
