

ERRATUM

Volume 46, Number 1 (2000), in the article "Effects of Benzimidazole and Triazole Fungicide Use on Epigeic Species of Collembola in Wheat," by G. K. Frampton and S. D. Wratten, pages 64–72 (doi: 10.1006/eesa.1999.1874): Due to a printer's error, Fig. 3 on page 68 is incorrect. For the reader's convenience, the correct version of Fig. 3 and its legend are printed here.

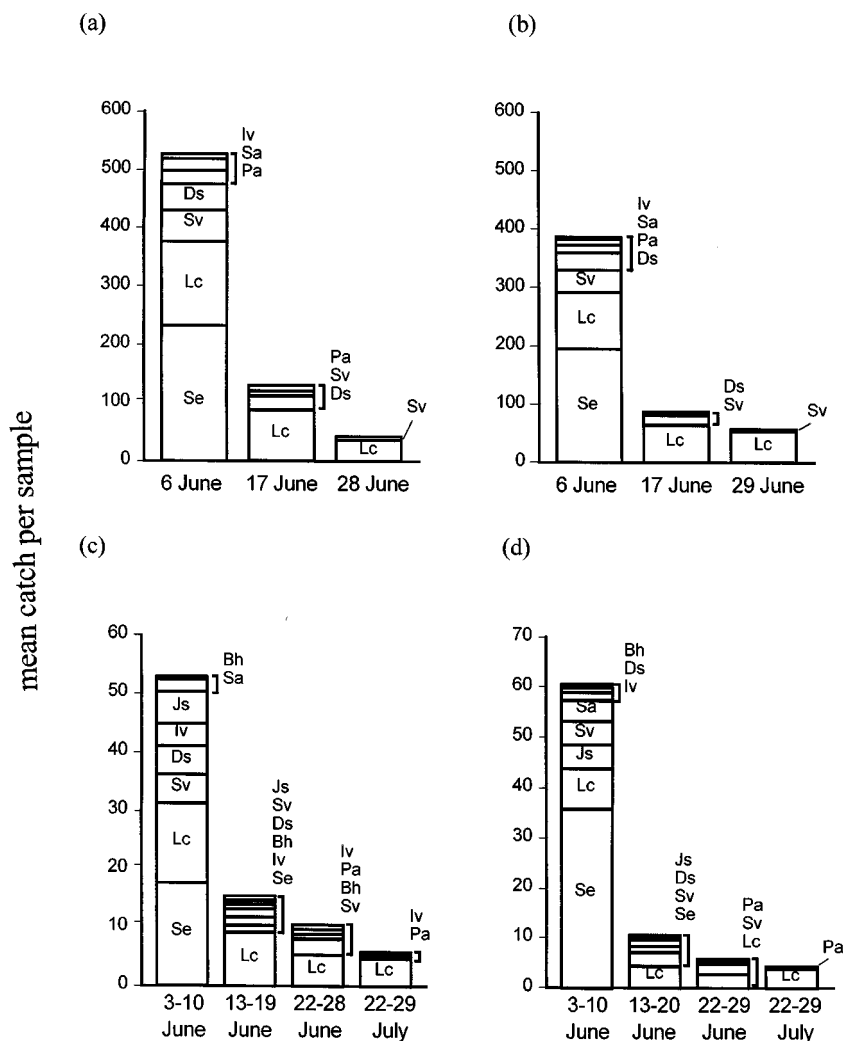

FIG. 3. Comparison of Collembola samples in control (unsprayed) plots (mean catches 0.46 m^{-2} suction sample ($n = 12$) or 7-day pitfall trap ($n = 40$)). Suction samples, open plots; (b) suction samples, barrier-enclosed plots; (c) pitfall trap samples, open plots; (d) pitfall trap samples, barrier-enclosed plots. Bh—*Bourletiella hortensis*; Ds—*Deuterosminthurus* spp.; Iv—*Isotoma viridis*; Js—*Jeannenotia stachi*; Lc—*Lepidocyrtus cyaneus*; Pa—*Pseudosinella alba*; Sa—*Sminthurinus aureus*; Se—*S. elegans*; Sv—*Sminthurus viridis*.
